

**Federal Employee Program  
COVID-19 Vaccine \$50 Incentive  
Extended Through December**

To further encourage and support national COVID-19 vaccination efforts, **we have extended our \$50 incentive to eligible Federal Employee Program® (FEP) members who receive at least one dose of the COVID-19 vaccine by Dec. 31, 2021.** This reward, originally set to expire in September, was shared with you in a recent provider [bulletin](#) which also included information about the new Blue Cross and Blue Shield FEP member ID card format.

Please encourage your patients to take advantage of this reward. They can learn more about this offer at [fepblue.org/vaccineincentive50](https://www.fepblue.org/vaccineincentive50). They can also call **800-411-BLUE (2583)** to ask questions.
