

# Find out if you qualify.

Financial help for health insurance is available for many immigrants.

## Get Covered Florida

**Signing up for a health insurance plan is an important step in keeping you and your family healthy.**

Regardless of your immigration status, **a licensed insurance agent can help determine if you qualify for financial assistance from the government for a health insurance plan** (also known as a subsidy).

This will NOT negatively impact your immigration status and process due to the public charge regulations, which were eliminated in March 2021.

## You may qualify for lower cost health insurance if you:

- ✓ Are a U.S. Citizen
- ✓ Are a U.S. Lawful Permanent Resident (Green Card holder)
- ✓ Are asylum seekers (if you've been granted employment authorization or are under the age of 14 and have had an application pending for at least 180 days)
- ✓ Are a Cuban or Haitian entrant
- ✓ Have a Temporary Protected Status (TPS)
- ✓ Have a work or student visa
- ✓ And many other statuses qualify
