

Information for Your Patients Who Ask About 2022 Marketplace Health Plans

As open enrollment begins for 2022, your patients may start asking about their BlueCare® HMO, myBlue, BlueOptionsSM or BlueSelect health plan benefits. Here's how you can help!

Information about Marketplace Health Plans is available at floridablue.com/providers. Just click on **Tools & Resources**, then **Marketplace Health Plans**.

Information for You and Your Patients

The [Marketplace Health Plans](#) page includes plan-specific information for providers and members. Just click on a button for BlueSelect, BlueOptions, BlueCare or myBlue (shown in the screenshot below). Once you have selected an option, you will see two sections:

- The **Member Communications** section contains links to tip sheets in English and Spanish for your Florida Blue patients who are under 65 years of age.
- Provider Bulletins in the **Provider Communications** section can assist you as you help your patients maximize their health benefits.

News to Share

It is also a good idea to share a link to the [Marketplace Health Plans](#) page with your office staff to help keep them informed.

For details about Florida Blue health plans, refer to the [Manual for Physicians and Providers](#).
