

**Ivermectin to Require Prior Authorization  
Beginning Sept. 22, 2021  
(Will Not Affect Medicare, FEP Members)**

Florida Blue will require prior authorization for brand Stromectol and generic Ivermectin tablets beginning Sept. 22, 2021.

Authorization for coverage will be granted based on usage for FDA-approved indications or compendium-supported uses (e.g., certain parasitic infections). Compendium coverage includes the American Hospital Formulary Service or DrugDex 1 or 2a levels of evidence.

Prior authorization for Stromectol or Ivermectin can be requested through [covermymeds.com](https://covermymeds.com) or by using a form found on [myprime.com](https://myprime.com).
