Section 2: What Is Covered?

Introduction

This section describes the Health Care Services that are covered under this Benefit Booklet. All benefits for Covered Services are subject to 1) your share of the cost and the benefit maximums listed on your Schedule of Benefits, 2) the applicable Allowed Amount, 3) any limitations and exclusions, as well as any other provisions contained in this Booklet, and any Endorsement(s) that are part of your Booklet, and 4) our Medical Necessity coverage criteria and benefit guidelines then in effect.

Remember that exclusions and limitations also apply to your coverage. Exclusions and limitations that are specific to a type of Service are included along with the benefit description in this section. Additional exclusions and limitations that may apply can be found in the "What Is Not Covered?" section and in any Endorsement(s) that are part of this Benefit Booklet. More than one limitation or exclusion may apply to a specific Service or a particular situation.

Expenses for the Health Care Services listed in this section will be covered under this Booklet only if the Services are:

1. within the Covered Services Categories in this "What Is Covered?" section;
2. actually rendered to you (not just proposed or recommended) by an appropriately licensed health care Provider who is recognized for payment by us and for which we receive an itemized statement or description of the procedure or Service which was rendered, including any applicable procedure code, diagnosis code and other information we require in order to process a claim for the Service;

3. Medically Necessary, as defined in this Booklet and determined by us in accordance with our Medical Necessity coverage criteria then in effect, except as specified in this section;
4. in accordance with our benefit guidelines listed in this section;
5. rendered while your coverage is in force; and
6. not specifically or generally limited (e.g., Pre-existing Condition exclusionary period) or excluded under this Booklet.

We will determine whether Services are Covered Services under this Booklet after you have obtained the Services and we have received a claim for the Services. In some circumstances we may determine whether Services might be Covered Services under this Booklet before such Services are rendered. For example, we may determine whether a proposed transplant would be a Covered Service under this Booklet before the transplant is provided. We are not obligated to determine, in advance, whether any Service not yet provided to you would be a Covered Service unless we have specifically designated that a Service is subject to a prior authorization requirement as described in the "Blueprint for Health Programs" section. We are also not obligated to cover or pay for any Service that has not actually been rendered to you.

In determining whether Health Care Services are Covered Services under this Booklet, no written or verbal representation by any employee or agent of BCBSF or by any other person shall waive or otherwise modify the terms of this Booklet and, therefore, neither you, the Small Employer, nor any health care

Provider or other person should rely on any such written or verbal representation.

Our Benefit Guidelines

In providing benefits for Covered Services, we may apply the benefit guidelines listed below as well as any other applicable payment rules specific to particular categories of Services:

1. Our payment for certain Health Care Services is included within the Allowed Amount for the primary procedure, and therefore no additional amount is payable by us for any such Services.
2. Our payment is based on the Allowed Amount for the actual Service rendered (i.e., payment is not based on the Allowed Amount for a Service which is more complex than that actually rendered), and is not based on the method utilized to perform the Service nor the day of the week nor the time of day the procedure is performed.
3. Our payment for a Service includes all components of the Health Care Service when the Service can be described by a single procedure code, or when the Service is an essential or integral part of the associated therapeutic/diagnostic Service rendered.

Section 4: Medical Necessity

In order for Health Care Services to be covered under this Booklet, such Services must meet all of the requirements to be a Covered Service, including being Medically Necessary, as defined by us.

It is important to remember that any review of Medical Necessity we undertake is solely for the purpose of determining coverage, benefits, or payment under the terms of this Booklet and not for the purpose of recommending or providing medical care. In conducting our review of Medical Necessity, we may review specific medical facts or information pertaining to you. Any such review, however, is strictly for the purpose of determining whether a Health Care Service provided or proposed meets the definition of Medical Necessity in this Booklet. In applying the definition of Medical Necessity in this Booklet to a specific Health Care Service, we may apply our coverage and payment guidelines then in effect.

All decisions that require or pertain to independent professional medical/clinical judgment or training, or the need for medical Services, are solely your responsibility and that of your treating Physicians and health care Providers. You and your Physicians are responsible for deciding what medical care should be rendered or received and when that care should be provided. We are solely responsible for determining whether expenses incurred for medical care are covered under this Booklet. In making coverage decisions, we will not be deemed to participate in or override your decisions concerning your health or the medical decisions of your health care Providers.

Note: Whether or not a Health Care Service is specifically listed as an exclusion, the fact that a Provider may prescribe, recommend, approve, or furnish a Health Care Service does not mean that the Service is Medically Necessary (as defined by us) or a Covered Service. You are free to obtain a Service even if we deny coverage because the Service is not Medically Necessary; however, you will be solely responsible for paying for the Service. Please refer to the “Definitions” section for the definition of “Medically Necessary or Medical Necessity”.

Section 5: Understanding Your Share of Health Care Expenses

This section explains what your share of the health care expenses will be for Covered Services you receive. In addition to the information explained in this section, it is important that you refer to your Schedule of Benefits to determine your share of the cost with regard to Covered Services.

Deductible Requirements

Individual Deductible

This amount, when applicable, must be satisfied by you and each of your Covered Dependents each Benefit Period, before any payment will be made by us. Only those charges indicated on claims we receive for Covered Services will be credited toward the individual Deductible and only up to the applicable Allowed Amount. Please see your Schedule of Benefits for more information.

If your plan includes a family Deductible, after the family Deductible has been met by your family, neither you nor your Covered Dependents will have any additional Deductible responsibility for the remainder of that Benefit Period. The maximum amount that any one Covered Person in your family can contribute toward the family Deductible is the amount applied toward the individual Deductible, if applicable. If your plan is a Copayment plan, the Copayment for Covered Services rendered in the office must be paid by you, for each office visit before any payment will be made by us. The office Services Copayment applies regardless of the reason for the office visit and applies to all Covered Services rendered during that visit, with the exception of Durable Medical Equipment, Medical Pharmacy, Orthotics and Prosthetics, which may require Cost Share amounts in addition to the Office Services Copayment, as set forth on your Schedule of Benefits.

Inpatient Facility Services Copayment

The Copayment for inpatient facility Services, if applicable to your plan, must be satisfied by you, for each inpatient admission to a Hospital, Psychiatric Facility, or Substance Abuse Facility, before any payment will be made by us for any claim for inpatient Covered Services. The Copayment for inpatient facility Services, if applicable to your plan, applies regardless of the reason for the admission, and applies to all inpatient admissions to a Hospital, Psychiatric

Note: Copayments for outpatient facility Services vary depending on the facility chosen and the Services received. Please see your Schedule of Benefits for more information.

Emergency Room Facility Services Copayment

The Copayment for emergency room facility Services, if applicable to your plan, applies regardless of the reason for the visit, is in addition to any applicable Coinsurance amount, and applies to emergency room facility Services in or outside the state of Florida. The Copayment for emergency room facility

Services, if applicable to your plan, must be satisfied by you for each visit. If you are admitted to the Hospital as an inpatient at the time of the emergency room visit, the Copayment for emergency room facility Services, if applicable to your plan, will be waived, but you will still be responsible for your share of the expenses for inpatient facility Services as listed in your Schedule of Benefits.

Coinsurance Requirements

All applicable Deductible or Copayment amounts must be satisfied before we will pay any portion of the Allowed Amount for Covered Services. For Services that are subject to Coinsurance, the Coinsurance percentage of the applicable Allowed Amount you are responsible for is listed in your Schedule of Benefits.

Note: If a particular Covered Service is not available from any In-Network Provider, the Coinsurance percentage that we will base payment on for that Covered Service will not be less than ten (10%) percentage points lower than the Coinsurance percentage we would have based payment on had the Covered Services been available from an In-Network Provider.

For example, if the In-Network Coinsurance for your plan were 80%, the Coinsurance percentage that would be used as a base for Covered Services as described above would be between 70% and 80% of the Allowed Amount. In this example, the Coinsurance percentage used as the basis for payment would not be less than 70% of the Allowed Amount.

Out-of-Pocket Maximums

Individual Out-of-Pocket Benefit Period Maximum

Once you have reached the individual out-of-pocket maximum amount listed in your Schedule of Benefits, you will have no additional out-of-

pocket responsibility for the remainder of that Benefit Period and we will pay 100 percent of the Allowed Amount for Covered Services rendered during the remainder of that Benefit Period.

Family Out-of-Pocket Benefit Period Maximum

If your plan includes a family out-of-pocket maximum, once your family has reached the family out-of-pocket maximum amount listed in your Schedule of Benefits, neither you nor your covered family members will have any additional out-of-pocket responsibility for Covered Services for the remainder of that Benefit Period and we will pay 100 percent of the Allowed Amount for Covered Services rendered during the remainder of that Benefit Period. The maximum amount any one Covered Person in your family can contribute toward the family out-of-pocket maximum, if applicable, is the amount applied toward the individual out-of-pocket maximum. Please see your Schedule of Benefits for more information.

Note: The Deductible, any applicable Copayments and Coinsurance amounts will accumulate toward the out-of-pocket Benefit Period maximums. Any benefit penalty reductions, non-covered charges or any charges in excess of the Allowed Amount will not accumulate toward the out-of-pocket Benefit Period maximums. Any applicable Cost Share amounts under the Prescription Drug coverage, will not apply to the Deductible or the out-of-pocket maximums under this Booklet. Amounts applied to the Out-of-Network out-of-pocket maximum will not be applied to the In-Network out-of-pocket maximums.

Prior Coverage Credit

We will give you credit for the satisfaction or partial satisfaction of any deductible and coinsurance maximums met by you under a prior group, blanket, or franchise insurance or

group Health Maintenance Organization (HMO) policy maintained by the Small Employer if the Small Employer Master Policy replaces such a policy. This provision only applies if the prior group, blanket, or franchise insurance or HMO coverage purchased by the Small Employer was in effect immediately preceding the Effective Date of this Policy. This provision is only applicable for you during the initial Benefit Period of coverage under the Small Employer Master Policy and the following rules apply:

Prior Coverage Credit for Deductible

For the initial Benefit Period of coverage under the this Policy only, charges credited by the Small Employer's prior insurer, toward your deductible requirement, for Services rendered during the 90-day period immediately preceding the Effective Date of this Policy, will be credited to the Deductible requirement under this Booklet.

Prior Coverage Credit for Coinsurance

Charges credited by the Small Employer's prior insurer, towards your Coinsurance maximum, for Services rendered during the 90-day period immediately preceding the Effective Date of the Small Employer Master Policy, will be credited to your out-of-pocket maximum under this Booklet.

Prior coverage credit toward the Deductible or out-of-pocket maximums will only be given for Health Care Services, which would have been Covered Services under this Booklet.

Prior coverage credit under this Booklet only applies at the initial enrollment of the entire Group. You and/or the Small Employer are responsible for providing us with any information necessary for us to apply this prior coverage credit.

Additional Expenses You Must Pay

In addition to your share of the expenses described above, you are also responsible for:

1. any applicable Copayments;
2. expenses incurred for non-Covered Services;
3. charges in excess of any maximum benefit limitation listed in your Schedule of Benefits (e.g., the lifetime maximums and Benefit Period maximums);
4. charges in excess of the Allowed Amount for Covered Services rendered by Providers who have not agreed to accept our Allowed Amount as payment in full;
5. any benefit reductions;
6. payment of expenses for claims denied because we did not receive information requested from you regarding whether or not you have other coverage and the details of such coverage; and
7. charges for Health Care Services which are excluded.

Additionally, you are responsible for any Premium contribution amount required by the Small Employer.

How we will Credit Benefit Maximums

Except as described below, only the amounts actually paid by us for Covered Services will be credited toward applicable benefit maximums (e.g., Benefit Period maximums and lifetime maximum). The amounts we pay that are credited toward your Benefit Period maximums and your lifetime maximum will be based on our Allowed Amount for the Covered Services provided.

If your Booklet is amended by a BCBSF Pharmacy Program Endorsement, all amounts paid under such BCBSF Pharmacy Program Endorsement will also be applied to your lifetime maximum, if applicable.

Under certain agreements we have with Providers, we may pay the Provider a set

monthly amount per individual to cover the cost of providing Covered Services to you, whether or not care is actually provided during that month. This form of payment is called "capitation". In these instances, when you receive Covered Services from such a Provider, the amounts we will credit toward any applicable benefit maximums, and the lifetime maximum, will be the amount we would have paid (based on our Allowed Amount then in effect) had the Provider not been paid on a capitated basis.

Section 6: Health Care Provider Options

Introduction

It is important for you to understand how the Provider you select and the setting in which you receive Health Care Services affects how much you are responsible for paying under this Booklet. This section, along with your Schedule of Benefits and the BlueOptions Provider Directory, describes the health care Provider options available to you and our payment rules for Services you receive.

As used throughout this section “out-of-pocket expenses” or “out-of-pocket” refers to the amounts you are required to pay including any applicable Copayments, the Deductible and/or Coinsurance amounts for Covered Services.

You are entitled to preferred Provider type benefits when you receive Covered Services from In-Network Providers. You are entitled to Traditional Program type benefits at the point of service when you receive Covered Services from Traditional Program Providers or BlueCard® (Out-of-State) Traditional Program Providers, in conformity with the “BlueCard® (Out-of-State) Program” section.

Provider Participation Status

In order to help control health care costs, we have entered into contracts with certain Providers to participate in NetworkBlue, one of our preferred provider networks. We have also entered into contracts with certain Providers to participate in our Traditional Program. We negotiate with these Providers to establish maximum allowances and payment rules for Covered Services as one way to control health care costs. The allowances we establish are called our Allowed Amounts. The amount you are responsible for paying out-of-pocket for a particular Covered Service is based on our Allowed Amount for that Covered Service.

Your Schedule of Benefits designates the panel of NetworkBlue Providers who are participating for your specific plan. This is important because these Providers are considered your In-Network Providers for purposes of this Benefit Booklet.

With BlueOptions, you may choose to receive Services from any Provider. However, you will be able to lower the amount you have to pay for Covered Services by receiving care from an In-Network Provider.

In-Network Providers

When you use In-Network Providers, your out-of-pocket expenses for Covered Services will be lower. We will base our payment on the Allowed Amount at the Coinsurance percentage listed in your Schedule of Benefits. Consult your Schedule of Benefits to determine what panel of Providers in the BlueOptions Provider directory is designated as In-Network for your plan.

We encourage you to select and develop a relationship with an In-Network Family Physician. There are several advantages to selecting a Family Physician. (Family Practitioners, General Practitioners, Internal Medicine doctors and Pediatricians):

- Family Physicians are trained to provide a broad range of medical care and can be a valuable resource to coordinate your overall healthcare needs.
- Developing and continuing a relationship with a Family Physician allows the physician to become knowledgeable about you and your family’s health history.
- A Family Physician can help you determine when you need to visit a specialist and also help you find one based on their knowledge of you and your specific healthcare needs.

- Care rendered by Family Physicians usually results in lower out-of-pocket expenses for you.

Whether you select a Family Physician or another type of Physician to render Health Care Services, please remember that using In-Network Providers will result in lower out-of-pocket expenses for you. You should always determine whether a Provider is In-Network or Out-of-Network prior to receiving Services to determine the amount you are responsible for paying out-of-pocket.

To verify if a Provider is In-Network for your plan you can:

1. review your current BlueOptions Provider Directory;
2. access the BlueOptions Provider directory on our website at www.bcbsfl.com; and/or
3. call the customer service phone number in this Contract or on your ID Card.

Out-of-Network Providers

When you use Out-of-Network Providers your out-of-pocket expenses for Covered Services will be higher. We will base our payment on the Allowed Amount at the Coinsurance percentage listed in the Schedule of Benefits. Further, if the Out-of-Network Provider is a Traditional Program Provider or a BlueCard® (Out-of-State) Traditional Program Provider, our payment to such Provider may be under the terms of that Provider's contract. If your Schedule of Benefits and BlueOptions Provider directory do not include a Provider as In-Network under your benefit plan, the Provider is considered Out-of-Network.

Location of Service

In addition to the participation status of the Provider, the location or setting where you receive Services can affect the amount you pay. For example, the amount you are responsible for

paying out-of-pocket will vary whether you receive Services in a Hospital, a Provider's office, or an Ambulatory Surgical Center. Please refer to your Schedule of Benefits for specific information regarding your out-of-pocket expenses for such situations. After you and your Physician have determined the plan of treatment most appropriate for your care, you should refer to the "What Is Covered?" section and your Schedule of Benefits to find out if the specific Health Care Services are covered and how much you will have to pay. You should also consult with your Physician to determine the most appropriate setting based on your health care and financial needs.

Physicians

When you receive Covered Services from a Physician you will be responsible for the applicable Cost Share amount set forth in your Schedule of Benefits. Several factors will determine your out-of-pocket expenses including whether the Physician is In-Network or Out-of-Network, the location of service, the type of Service rendered, and the Physician's specialty (as determined by us).

Refer to your Schedule of Benefits to determine the applicable Cost Share amount you are responsible for paying for Physician Services.

In those instances payment will be made directly to the Provider.

You are protected from being billed for the difference in our Allowed Amount and the Provider's charge when you use In-Network Providers. You are responsible for paying the difference between what we pay and the Provider's charge. However, if you receive Services from a Provider who participates in our Traditional Program, the Provider will accept our Allowed Amount as payment in full for Covered Services since such Traditional Program Providers have agreed not to bill you for the difference. Further, under the BlueCard® (Out-of-State) Program, when you receive Covered Services from a BlueCard® (Out-of-State) Traditional Program Provider, you may be responsible for paying the difference between what the Host Blue pays and the Provider's billed charge.

Note: You are solely responsible for selecting a Provider when obtaining Health Care Services and for verifying whether that Provider is In-Network or Out-of-Network at the time Health Care Services are rendered. You are also responsible for determining the corresponding payment options, if any, at the time the Health Care Services are rendered.

Hospitals

Each time you receive inpatient or outpatient Covered Services at a Hospital, in addition to any out-of-pocket expenses related to Physician Services, you will be responsible for out-of-pocket expenses related to Hospital Services.

In-Network Hospitals have been divided into two groups, which are referred to as “options” on your Schedule of Benefits. The amount you are responsible for paying out-of-pocket is different for each of these options. Remember that there are also different out-of-pocket expenses for Out-of-Network Hospitals.

Since not all Physicians admit patients to every Hospital, it is important when choosing a Physician that you determine the Hospitals where your Physician has admitting privileges. You can find out what Hospitals your Physician admits to by contacting the Physician’s office. This will provide you with information that will help you determine a portion of what your out-of-pocket costs may be in the event you are hospitalized.

Refer to your Schedule of Benefits to determine the applicable Cost Share amount you are responsible for paying for Hospital Services.

Specialty Pharmacy

Certain medications, such as injectable, oral, inhaled and infused therapies used to treat complex medical Conditions are typically more difficult to maintain, administer and monitor when compared to traditional drugs. Specialty Drugs may require frequent dosage adjustments, special storage and handling and may not be readily available at local pharmacies or routinely stocked by Physicians’ offices, mostly due to the high cost and complex handling they require.

Using the Specialty Pharmacy to provide these Specialty Drugs should lower the amount you have to pay for these medications, while helping

to preserve your benefits. Please refer to the Medication Guide for a list of Specialty Pharmacies.

Other Providers

With BlueOptions you have access to other Providers in addition to the ones previously described in this section. Other Providers include facilities that provide alternative outpatient settings or other persons and entities that specialize in a specific Service(s). While these Providers may be recognized for payment, they may not be included as In-Network Providers for your plan. Additionally, all of the Services that are within the scope of certain Providers’ licenses may not be Covered Services under this Booklet. Please refer to the “What Is Covered?” and “What Is Not Covered?” sections of this Booklet and your Schedule of Benefits to determine your out-of-pocket expenses for Covered Services rendered by these Providers.

You may be able to receive certain outpatient Services at a location other than a Hospital. The amount you are responsible for paying for Services rendered at some alternative facilities is generally less than if you had received those same Services at a Hospital.

When Services are rendered at an outpatient facility other than a Hospital there may be an out-of-pocket expense for the facility Provider as well as an out-of-pocket expense for other types of Providers.

Assignment of Benefits to Providers

Except as set forth in the last paragraph of this section, we will not honor any of the following assignments, or attempted assignments, by you to any Provider:

- an assignment of the benefits due to you for Covered Services under this Benefit Booklet;

- an assignment of your right to receive payments for Covered Services under this Benefit Booklet; or
- an assignment of a claim for damage resulting from a breach, or an alleged breach, of the Small Employer Master Policy.

We will, when applicable honor an assignment of your right to receive payment for Covered Services to a Provider in accordance with Section 627.638(2) *Florida Statutes* or other applicable statute then in effect. A written attestation of the assignment of benefits may be required.

SAMPLE

Section 7: BlueCard[®] (Out-of-State) Program

Providers Outside the State of Florida

When you obtain Health Care Services from BlueCard[®] participating Providers outside the geographic area we serve, the amount you pay for Covered Services is calculated on the **lower** of:

- The billed charges for your Covered Services, or
- The negotiated price that the on-site Blue Cross and/or Blue Shield Plan (“Host Blue”) passes on to us.

Often, this “negotiated price” will consist of a simple discount, which reflects the actual price paid by the Host Blue. But sometimes it is an estimated price that factors into the actual price expected settlements, withholds, any other contingent payment arrangements and non-claims transactions with your health care Provider or with a specified group of Providers. The negotiated price may also be billed charges reduced to reflect an **average** expected savings with your health care Provider or with a specified group of Providers. The price that reflects average savings may result in greater variation (more or less) from the actual price paid than will the estimated price. The negotiated price will also be prospectively adjusted in the future to correct for over- or underestimation of past prices. However, the amount you pay is considered a final price. Statutes in a small number of states may require the Host Blue to use a basis for calculating a covered individual's liability for Covered Services that does not reflect the entire savings realized, or expected to be realized, on a particular claim or to add a surcharge. Should any state statutes mandate liability calculation methods that differ from the usual BlueCard[®] method noted above in

paragraph one of this section or require a surcharge, we will then calculate your liability for any Covered Services in accordance with the applicable state statute in effect at the time you received your care.

Section 8: Blueprint for Health Programs

Introduction

We have established (and from time to time establish) various customer-focused health education and information programs as well as benefit utilization management and utilization review programs. These programs, collectively called the Blueprint for Health Programs, are designed to: 1) provide you with information that will help you make more informed decisions about your health; 2) help us facilitate the management and review of coverage and benefits provided under our policies; and 3) present opportunities, as explained below, to mutually agree upon alternative benefits or payment alternatives for cost-effective medically appropriate Health Care Services.

Admission Notification

Our admission notification requirements vary depending on whether you are admitted to a Hospital, Psychiatric, Substance Abuse, Hospice, Inpatient Rehabilitation, Long Term Acute Care (LTAC) or Skilled Nursing Facility which is In-Network or Out-of-Network. To find out about the participation status of any of these providers, you can:

1. review the Provider Directory then in effect;
2. access our website at www.bcbsfl.com; and/or
3. call the customer service phone number in this Booklet or on your ID Card.

In-Network

Under the admission notification requirement, we must be notified of all inpatient admissions (i.e., elective, planned, urgent or emergency) to In-Network Hospital, Psychiatric, Substance Abuse, Hospice, Inpatient Rehabilitation, LTAC and Skilled Nursing Facilities. While it is the

sole responsibility of the In-Network Provider located in Florida to comply with our admission notification requirements, you should ask the facility if we have been notified of your admission. For an admission outside of Florida, you or the facility should notify us of the admission. Making sure that we are notified of your admission will enable us to provide you information about the Blueprint for Health Programs available to you. You or the facility may notify us of your admission by calling the customer service phone number on your ID Card.

Out-of-Network

For admissions to an Out-of-Network Hospital, Psychiatric, Substance Abuse, Hospice, Inpatient Rehabilitation, LTAC or Skilled Nursing Facility, you or the facility should notify us of the admission. Notifying us of your admission will enable us to provide you information about the Blueprint for Health Programs available to you. You or the facility may notify us of your admission by calling the customer service phone number on your ID Card.

Inpatient Facility Program

Under the inpatient facility program, we may review Hospital stays, Hospice, Inpatient Rehabilitation, LTAC and Skilled Nursing Facility Services, and other Health Care Services rendered during the course of an inpatient stay or treatment program. We may conduct this review while you are inpatient, after your discharge, or as part of a review of an episode of care when you are transferred from one level of inpatient care to another for ongoing treatment. The review is conducted solely to determine whether we should provide coverage and/or payment for a particular admission or Health Care Services rendered during that

admission. Using our established criteria then in effect, a concurrent review of the inpatient stay may occur at regular intervals, including in advance of a transfer from one inpatient facility to another for ongoing treatment. We will provide notification to your Physician, when inpatient coverage criteria are no longer met. In administering the inpatient facility program, we may review specific medical facts or information and assess, among other things, the appropriateness of the Services being rendered, health care setting and/or the level of care of an inpatient admission or other health care treatment program. Any such reviews by us, and any reviews or assessments of specific medical facts or information which we conduct, are solely for purposes of making coverage or payment decisions under this Benefit Booklet and not for the purpose of recommending or providing medical care.

In anticipation of your needs following an inpatient stay, we may provide you and your Physician with information about other Blueprint for Health Programs which may be beneficial to you, and help you and your Physician identify health care resources which may be available in your community. Upon request, we will answer questions your Physician has regarding your coverage or benefits following discharge from the Hospital.

Provider Focused Utilization Management Program

Certain NetworkBlue Providers have agreed to participate in our focused utilization management program. This pre-service review program is intended to promote the efficient delivery of medically appropriate Health Care Services by NetworkBlue Providers. Under this program we may perform focused prospective reviews of all or specific Health Care Services proposed for you. In order to perform the review, we may require the Provider to submit to

us specific medical information relating to Health Care Services proposed for you. These NetworkBlue Providers have agreed not to bill, or collect, any payment whatsoever from you or us, or any other person or entity, with respect to a specific Health Care Service if:

1. they fail to submit the Health Care Service for a focused prospective review when required under the terms of their agreement with us; **or**
2. we perform a focused review under the focused utilization management program and we determine that a Health Care Service is not Medically Necessary in accordance with our Medical Necessity criteria or inconsistent with our benefit guidelines then in effect unless the following exception applies.

Exception for Certain NetworkBlue Physicians

Certain NetworkBlue Physicians licensed as Doctors of Medicine (M.D.) or Doctors of Osteopathy (D.O.) only may bill you for Services determined to be not Medically Necessary by BCBSF under this focused utilization management program if, **before** you receive the Service:

- a. they give you a written estimate of your financial obligation for the Service;
- b. they specifically identify the proposed Service that BCBSF has determined not to be Medically Necessary; and
- c. you agree to assume financial responsibility for such Service.

Prior Coverage Authorization/ Pre-Service Notification Programs

It is important for you to understand our prior coverage authorization programs and how the Provider you select and the type of Service you receive affects these requirements and

ultimately how much you are responsible for paying under this Benefit Booklet.

You or your Physician will be required to obtain prior coverage authorization from us for:

1. certain **Provider-administered drugs**, as denoted with a special symbol in the Medication Guide;
2. **advanced diagnostic imaging Services**, such as CT scans, MRIs, MRA and nuclear imaging; and
3. **other Health Care Services** that are or may become subject to a prior coverage authorization program or a pre-service notification program as defined and administered by us.

Prior coverage authorization requirements vary, depending on whether Services are rendered by an In-Network Provider or an Out-of-Network Provider, as described below:

In-Network Providers

It is the In-Network Provider's sole responsibility to comply with our prior coverage authorization requirements, and therefore you will not be responsible for any benefit reductions if prior coverage authorization is not obtained before Medically Necessary Services are rendered.

Once we have received the necessary medical documentation from the Provider, we will review the information and make a prior coverage authorization decision, based on our established criteria then in effect. The Provider will be notified of the prior coverage authorization decision.

Out-of-Network Providers

1. In the case of **Provider-administered drugs**, it is your sole responsibility to comply with our prior coverage authorization requirements when you use an Out-of-Network Provider **before** the drug is purchased or administered. **Your failure to**

obtain prior coverage authorization will result in denial of coverage for such drug, including any Service related to the drug or its administration.

For additional details on how to obtain prior coverage authorization, and for a list of Provider-administered drugs that require prior coverage authorization, please refer to the Medication Guide.

2. In the case of **advanced diagnostic imaging Services** such as CT scans, MRIs, MRA and nuclear imaging, it is your sole responsibility to comply with our prior coverage authorization requirements when rendered or referred by an Out-of-Network Provider **before** the advanced diagnostic imaging Services are provided. **Your failure to obtain prior coverage authorization will result in denial of coverage for such Services.**

For additional details on how to obtain prior coverage authorization for advanced diagnostic imaging Services, please call the customer service phone number on the back of your ID Card.

3. In the case of **other Health Care Services** under a prior coverage authorization or pre-service notification program, it is your sole responsibility to comply with our prior coverage authorization or pre-service notification requirements when rendered or referred by an Out-of-Network Provider, **before** the Services are provided. Failure to obtain prior coverage authorization or provide pre-service notification may result in denial of the claim or application of a financial penalty assessed at the time the claim is presented for payment to us. The penalty applied will be the lesser of \$500 or 20% of the total Allowed Amount of the claim. The decision to apply a penalty or deny the claim will be made uniformly and will be identified in the notice describing the

prior coverage authorization and pre-service notification programs.

Once the necessary medical documentation has been received from you and/or the Out-of-Network Provider, BCBSF or a designated vendor, will review the information and make a prior coverage authorization decision, based on our established criteria then in effect. You will be notified of the prior coverage authorization decision.

BCBSF will provide you information for any Out-of-Network Health Care Service subject to a prior coverage authorization or pre-service notification program, including how you can obtain prior coverage authorization and/or provide the pre-service notification for such Service. This information will be provided to you upon enrollment, or at least 30 days prior to such Out-of-Network Services becoming subject to a prior coverage authorization or pre-service notification program.

See the "Claims Processing" section for information on what you can do if prior coverage authorization is denied.

Note: Prior coverage authorization is not required when Covered Services are provided for the treatment of a Medical Emergency.

Member Focused Programs

The Blueprint for Health Programs may include voluntary programs for certain members. These programs may address health promotion, prevention and early detection of disease, chronic illness management programs, case management programs and other member focused programs.

Personal Case Management Program

The personal case management program focuses primarily on members who suffer from a catastrophic illness or injury. In the event you meet our case management guidelines, we may, in our sole discretion, assign a Personal Case

Manager to you to help you coordinate coverage, benefits, or payment for Health Care Services you receive. Your participation in this program is completely voluntary.

Under the personal case management program, we may elect to offer alternative benefits or payment for cost-effective Health Care Services. These alternative benefits or payments may be made available by us on a case-by-case basis when you meet our case management criteria then in effect. Such alternative benefits or payments, if any, will be made available in accordance with a treatment plan with which you, or your representative, and your Physician agree to in writing.

The fact that we may offer to pay for, or that we have paid for certain Health Care Services under the personal case management program in no way obligates us to continue to provide or pay for the same or similar Services. Nothing contained in this section shall be deemed a waiver of our right to enforce this Benefit Booklet in strict accordance with its terms. The terms of this Booklet will continue to apply, except as specifically modified in writing by us in accordance with the personal case management program rules then in effect.

Health Information, Promotion, Prevention and Illness Management Programs

These Blueprint for Health Programs may include health information that supports member education and choices for healthcare issues. These programs focus on keeping you well, help to identify early preventive measures of treatment and help members with chronic problems to enjoy lives that are as productive and healthy as possible. These programs may include prenatal educational programs and illness management programs for Conditions such as diabetes, cancer and heart disease. These programs are voluntary and are designed to enhance your ability to make informed choices and decisions for your unique health

care needs. You may call the customer service phone number on your ID Card for more information. Your participation in this program is completely voluntary.

IMPORTANT INFORMATION RELATING TO BCBSF'S BLUEPRINT FOR HEALTH PROGRAMS

All decisions that require or pertain to independent professional medical/clinical judgment or training, or the need for medical Services, are solely your responsibility and the responsibility of your Physicians and other health care Providers. You and your Physicians are responsible for deciding what medical care should be rendered or received, and when and how that care should be provided. We are solely responsible for determining whether expenses, which have been or will be incurred for medical care are, or will be, covered under this Booklet. In fulfilling this responsibility, we will not be deemed to participate in or override the medical decisions of your health care Provider.

You, a treating Physician, Hospital, or other Provider may request that we review a Blueprint for Health Program coverage or payment decision, provided such a request is received by us, in writing, within 90 days of the date of the decision. The review request must include all information deemed relevant or necessary by us. We will review the decision in light of such information and notify you or your representative, the Hospital and/or the Physician of the review decision.

Please note that we reserve the right to discontinue or modify the Hospital admission notification requirement and any Blueprint for Health Program at any time without consent from you or the Small Employer.

Section 9: Pre-existing Condition Exclusion Period

Definitions

The following definitions will be referred to for purposes of this Pre-existing Condition Exclusion Period section. You should pay particular attention to the definition of Pre-existing Condition because it will vary depending upon the size of the group and whether you have Creditable Coverage that will reduce the Pre-existing Condition exclusionary period.

For Small Employers with two or more employees or with one employee that has Creditable Coverage that will reduce the Pre-existing Condition exclusion period:

Pre-existing Condition means any Condition related to a physical or mental Condition, regardless of the cause of the Condition, for which medical advice, diagnosis, care, or treatment was recommended or received during the six-month period immediately preceding:

1. the first day of the your Waiting Period for initial enrollees; or
2. your Effective Date of coverage under the Small Employer Master Policy for special and annual enrollees.

For a Small Employer with one employee who does not have Creditable Coverage that will reduce the Pre-existing Condition exclusion period:

Pre-existing Condition means any Condition that, during the 24-month period immediately preceding your Effective Date of coverage, has manifested itself in a manner that would cause an ordinarily prudent person to seek medical advice, diagnosis, care, or treatment, or for which medical advice, diagnosis, care or treatment was

recommended or received for that Condition. Pregnancy is a Pre-existing Condition when inception of the pregnancy preceded the Effective Date of your coverage regardless of whether you knew you were pregnant prior to the Effective Date.

Definition Applicable to All Small Employers:

Genetic Information means information about genes, gene products, and inherited characteristics that may derive from the individual or a family member. This includes information regarding carrier status and information derived from laboratory tests that identify mutations in specific genes or chromosomes, physical medical examinations, family histories, and direct analysis of genes or chromosomes.

Pre-existing Condition Exclusion Period

The Pre-existing Condition exclusionary period will vary based upon the size of the Small Employer and whether or not you have Creditable Coverage.

For Small Employers with two or more employees or with one employee with Creditable Coverage that will reduce the Pre-existing Condition exclusion period:

There is no coverage under this Small Employer Master Policy for Health Care Services to treat a Pre-existing Condition, or Conditions arising from a Pre-existing Condition, until you have been continuously covered under this Policy for a 12-month period. This 12-month Pre-existing Condition exclusion period begins on the first day of the Waiting Period (your Enrollment Date) if you are an initial enrollee, or on your Effective Date of coverage if you are a special or annual enrollee.

For a Small Employer with one employee who does not have Creditable Coverage that will reduce the Pre-existing Condition exclusion period:

There is no coverage under this Small Employer Master Policy for Health Care Services to treat a Pre-existing Condition, or

Conditions arising from a Pre-existing Condition, until you have been continuously covered under this Small Employer Master Policy for a 24-month period. This 24-month Pre-existing Condition exclusionary period begins on your Effective Date of coverage.

Exceptions to the Pre-existing Condition Exclusion Period

The Pre-existing Condition exclusion period does not apply to:

1. a newborn child or an Adopted newborn child;
2. an Adopted child or child placed for Adoption;
3. Genetic Information in the absence of a diagnosis of the Condition;
4. routine follow-up care of breast cancer after the person was determined to be free of breast cancer;

In addition to the above list, the Pre-existing Condition exclusion period does not apply to pregnancy for:

1. a Small Employer with two or more employees or one employee who has Creditable Coverage; or
2. a Small Employer with one employee who has Creditable Coverage that will reduce the Pre-existing Condition exclusionary period.

Reducing the Pre-existing Condition Exclusion Period

You may be able to reduce or even eliminate the Pre-existing Condition exclusion period if you have prior Creditable Coverage.

If you are enrolling when you are first eligible for coverage, or during an Annual Enrollment Period or Special Enrollment Period, and you have no more than a 63-day break in Creditable Coverage as of your Enrollment Date under this Small Employer Master Policy, your Pre-existing Condition exclusion period will be reduced by the amount of prior Creditable Coverage you have.

If you have no Creditable Coverage, or if you have a break in coverage of 63 days or more between your Creditable Coverage and your Enrollment Date, then the full Pre-existing Condition exclusion period will apply.

Proving Creditable Coverage

You may provide certification of Creditable Coverage or a Prior/Concurrent Coverage Affidavit to prove the amount of time you were covered under Creditable Coverage. Prior health insurers and/or group health plans are required to provide you with certification of Creditable Coverage upon termination of your coverage and at any time upon request up to 24 months after termination of your prior health coverage.

If you do not provide a certification, you must provide us some other evidence of Creditable Coverage such as a copy of an identification card or health insurance bill from a prior carrier and attest to the amount of time you were covered under the Creditable Coverage.

The Small Employer must notify you of your right to show that you had prior Creditable Coverage to reduce the Pre-existing Condition exclusion period. You may ask that your Small Employer assist you in obtaining a certificate from any prior plan, such as by a telephone call from your Small Employer to a prior employer or insurer verifying Creditable Coverage.

Section 11: Enrollment and Effective Date of Coverage

Eligible Employees and Eligible Dependents may enroll for coverage according to the provisions below.

Any Eligible Employee or Eligible Dependent who is not properly enrolled with us will not be covered under this Booklet. We will have no obligation whatsoever to any individual who is not properly enrolled.

General Rules for Enrollment

1. Any Employee and/or Eligible Dependent who is eligible for coverage under this Booklet may apply for coverage by completing and submitting an Enrollment Form to the Small Employer.
2. All factual representations on the Enrollment Forms must be accurate and complete. Any false, incomplete, or misleading information provided during the enrollment process, or at any other time, may result, in addition to any other legal right we may have, in disqualification for, termination of, or rescission of coverage.
3. We will not provide coverage and benefits to any individual who would not have been entitled to enrollment with us, had accurate and complete information been provided to us on a timely basis. In such cases, we may require you or an individual legally responsible for you, to reimburse us for any payments we made on your behalf.

To apply for coverage, you as the Eligible Employee must:

1. complete and submit, through the Small Employer, the Enrollment Form;
2. provide any additional information needed to determine eligibility, at our request;

3. agree to pay your portion of the required Premium; and
4. complete and submit, through the Small Employer, an Enrollment Form to add Eligible Dependents or delete Covered Dependents.

When making application for coverage, you must elect one of the types of coverage available under the Small Employer's program. Such types may include:

Coverage Type	Provides Coverage for:

Enrollment Periods

The enrollment periods for applying for coverage are as follows:

Initial Enrollment Period is the period of time during which an Eligible Employee or Eligible Dependent is first eligible to enroll. It starts on the Eligible Employee's or Eligible Dependent's initial date of eligibility and ends no less than 30 days later.

Annual Open Enrollment Period is the period of time during which each Eligible Employee is given an opportunity to select coverage from

among the alternatives included in the Small Employer's health benefit program. The period is established by us, occurs annually, and will take place prior to the Anniversary Date.

Special Enrollment Period is the 30-day period of time immediately following a special circumstance during which an Eligible Employee or Eligible Dependent may apply for coverage. Special circumstances are described in the Special Enrollment Period subsection.

Employee Enrollment

1. An Eligible Employee must enroll during the Initial Enrollment Period in order to become covered as of the Effective Date of the Small Employer. Eligible Dependents may also be enrolled during the Initial Enrollment Period. The Effective Date of coverage for Eligible Dependents will be the same as the Covered Employee's Effective Date.
2. An individual who becomes an Eligible Employee after the Small Employer's Effective Date (for example, newly-hired employees) must enroll before or within the Initial Enrollment Period. The Effective Date of coverage for such individual will begin on the date specified on the Small Employer Application.

Dependent Enrollment

An individual may be added upon becoming an Eligible Dependent of a Covered Employee. Below are special rules for certain Eligible Dependents.

Newborn Child – To enroll a newborn child who is an Eligible Dependent, the Covered Employee must submit an Enrollment Form to us through the Small Employer. The Effective Date of coverage for a newborn child shall be the date of birth. We must be notified, in writing, and the following guidelines will be applied when enrolling a newborn child:

- a. If we receive written notice within 30 days after the date of birth, the Effective Date of coverage will be the date of birth and no Premium will be charged for the newborn child for the first 30 days of coverage.
- b. If we receive written notice 31 to 60 days after the date of birth, the Effective Date of coverage will be the date of birth and the appropriate Premium will be charged from the date of birth.
- c. If we receive written notice more than 60 days after the date of birth and Annual Open Enrollment **has not** occurred since the date of birth, the Effective Date of coverage will be the date of birth and the appropriate Premium will be charged from the date of birth.
- d. If we receive written notice more than 60 days after the date of birth and Annual Open Enrollment **has** occurred, the newborn child may not be added until the next Annual Open Enrollment Period or Special Enrollment Period.

The guidelines above only apply to newborns born after the Effective Date of the Covered Employee. If a child is born before the Effective Date of the Covered Employee and was not added during the Initial Enrollment Period, we must receive an Enrollment Form. If the Enrollment Form is received within 30 days after the birth of the child, no Premium will be charged for the first 30 days of coverage. If the Enrollment Form is received 31-60 days after the birth of the child, any applicable Premium must be paid back to the Effective Date of coverage of the Covered Employee. In the event we are not notified within 60 days of the birth of the newborn child, the Covered Employee must make application during an Annual Open Enrollment Period or Special Enrollment Period.

Note: Coverage for a newborn child of a Covered Dependent child who has not reached the end of the Calendar Year in which he or she becomes 25 will automatically terminate 18 months after the birth of the newborn child. For a Covered Dependent child who has reached the end of the Calendar Year in which he or she becomes 25, if the Covered Dependent child obtains a dependent of their own (e.g., through birth or Adoption) such newborn child will not be eligible for this coverage and cannot enroll. Further, the Covered Dependent child will also lose his or her eligibility for this coverage.

Adopted Newborn Child – To enroll an Adopted newborn child, the Covered Employee must submit any Enrollment Form through the Small Employer to us. The Effective Date of coverage for an Adopted newborn child eligible for coverage, shall be the moment of birth, provided that a written agreement to Adopt such child has been entered into by the Covered Employee prior to the birth of such child, whether or not such an agreement is enforceable. We may require the Covered Employee to provide any information and/or documents which we deem necessary in order to administer this provision. We must be notified, in writing, and the following guidelines will be applied when enrolling an Adopted newborn child:

- a. If we receive written notice within 30 days after the birth, the Effective Date of coverage will be the date of birth and no Premium will be charged for the first 30 days of coverage for the Adopted newborn child.
- b. If we receive written notice 31 to 60 days after the birth, the Effective Date of coverage will be the date of birth and the appropriate Premium will be charged from the date of birth.
- c. If we receive written notice more than 60 days after the date of birth and Annual

Open Enrollment **has not** occurred, the Effective Date of coverage will be the date of birth and the appropriate Premium will be charged from the date of birth.

- d. If we receive written notice more than 60 days after the date of birth and Annual Open Enrollment **has** occurred, the Adopted newborn child may not be added until the next Annual Open Enrollment Period or Special Enrollment Period.

The guidelines above only apply to Adopted newborns born after the Effective Date of the Covered Employee. If a child is born before the Effective Date of the Covered Employee and was not added during the Initial Enrollment Period, we must receive an Enrollment Form. If the Enrollment Form is received within 30 days after the birth of the child, no Premium will be charged for the first 30 days of coverage. If the Enrollment Form is received 31-60 days after the birth of the Adopted newborn child, any applicable Premium must be paid back to the Effective Date of coverage of the Covered Employee. In the event we are not notified within 60 days of the birth of the Adopted newborn child, the Covered Employee must make application during an Annual Open Enrollment Period or Special Enrollment Period.

If the Adopted newborn child is not ultimately placed in the residence of the Covered Employee, there shall be no coverage for the Adopted newborn child. It is your responsibility as the Covered Employee to notify us within ten calendar days of the date that placement was to occur if the Adopted newborn child is not placed in your residence.

Adopted/Foster Children – To enroll an Adopted child (other than an Adopted newborn child) or Foster Child, the Covered Employee must submit an Enrollment Form during the 30-day period immediately following the date of

placement and pay the additional Premium, if any. The Effective Date for an Adopted or Foster Child (other than an Adopted newborn child) shall be the date such Adopted or Foster Child is placed in the residence of the Covered Employee pursuant to Florida law. If timely notice is given, no additional Premium will be charged for coverage of the Adopted child or Foster Child for the duration of the notice period. Any Pre-existing Condition exclusion period will not apply to an Adopted child but will apply to a Foster Child. We may require the Covered Employee to provide any information and/or documents deemed necessary by us in order to properly administer this section.

In the event we are not notified within 30 days of the date of placement, the child will be added as of the date of placement so long as the Covered Employee provides notice to the Small Employer, and we receive the Enrollment Form within 60 days of the placement, and any applicable Premium is paid back to the date of placement. In the event we are not notified within 60 days of the date of placement, the Covered Employee must make application during an Annual Open Enrollment Period or Special Enrollment Period in order for the Adopted child or Foster Child to be covered.

For all children covered as Adopted children, if the final decree of Adoption is not issued, coverage shall not be continued for the proposed Adopted Child. It is your responsibility as the Covered Employee to notify us if the Adoption does not take place. Upon receipt of this notification, we will terminate the coverage of the child as of the Effective Date of the adopted child upon receipt of the written notice.

If the Covered Employee's status as a foster parent is terminated, coverage will end for any Foster Child. It is your responsibility as the Covered Employee to notify us in writing that the Foster Child is no longer in your care. Upon receipt of this notification, we will terminate the

coverage of the child on the date provided by the Small Employer on the first billing date following receipt of the written notice.

Marital Status –The Covered Employee may apply for coverage of an Eligible Dependent due to a legally valid marriage. To apply for coverage, the Covered Employee must complete and submit the Enrollment Form through the Small Employer and forward it to us. The Covered Employee must make application for enrollment within 30 days of the marriage. The Effective Date of coverage for an Eligible Dependent who is enrolled as a result of marriage is the date of the marriage.

Court Order – The Covered Employee may apply for coverage for an Eligible Dependent outside of the Initial Enrollment Period and Annual Open Enrollment Period if a court has ordered coverage to be provided by you for a minor child under their plan. To apply for coverage, the Covered Employee must complete and submit an Enrollment Form through the Small Employer and forward it to us. The Covered Employee must make application for enrollment within 30 days of the court order. The Effective Date of coverage for an Eligible Dependent who is enrolled as a result of a court order is the date required by the court or the next billing date.

Annual Open Enrollment Period

Eligible Employees and/or Eligible Dependents who did not apply for coverage during the Initial Enrollment Period or a Special Enrollment Period may apply for coverage during an Annual Open Enrollment Period. The Eligible Employee may enroll by completing the Enrollment Form during the Annual Open Enrollment Period.

The Effective Date of coverage for an Eligible Employee and any Eligible Dependents will be the first billing date following the Annual Open Enrollment Period.

Eligible Employees who do not enroll or change their coverage selection during the Annual Open Enrollment Period, must wait until the next Annual Open Enrollment Period, unless the Eligible Employee or the Eligible Dependent is enrolled due to a special circumstance as outlined in the Special Enrollment Period subsection of this section.

Special Enrollment Period

An Eligible Employee and/or the Employee's Eligible Dependent(s) may apply for coverage outside of the Initial Enrollment Period and Annual Enrollment Period as a result of a special enrollment event. To apply for coverage, the Eligible Employee and/or the Employee's Eligible Dependent(s) must complete the applicable Enrollment Form and forward it to the Small Employer within the time periods noted below for each special enrollment event.

An Eligible Employee and/or the Employee's Eligible Dependent(s) may apply for coverage if one of the following special enrollment events occurs and the applicable Enrollment Form is submitted to the Small Employer within the indicated time periods:

1. If you lose your coverage under another group health benefit plan (as an employee or dependent), or coverage under other health insurance (except in the case of loss of coverage under a Children's Health Insurance Program (CHIP) or Medicaid, see #3 below), or COBRA continuation coverage that you were covered under at the time of initial enrollment provided that:
 - when offered coverage under this plan at the time of initial eligibility, you stated, in writing, that coverage under a group health plan or health insurance coverage was the reason for declining enrollment; and

insurance coverage (except in the case of loss of coverage under a CHIP or Medicaid, see #3 below) as a result of termination of employment, reduction in the number of hours you work, reaching or exceeding the maximum lifetime of all benefits under other health coverage, the employer ceased offering group health coverage, death of your spouse, divorce, legal separation or employer contributions toward such coverage was terminated; and

- you submit the applicable Enrollment Form to the Small Employer within 30 days of the date your coverage was terminated

Note: Loss of coverage for failure to pay your portion of the required Premium on a timely basis or for cause (such as making a fraudulent claim or an intentional misrepresentation of a material fact in connection with the prior health coverage) is not a qualifying event for special enrollment.

or

2. If when offered coverage under this plan at the time of initial eligibility, you stated, in writing, that coverage under a group health plan or health insurance coverage was the reason for declining enrollment; and you get married or obtain a dependent through birth, adoption or placement in anticipation of adoption and you submit the applicable Enrollment Form to the Small Employer within 30 days of the date of the event.

Premium Payments

In those instances where an individual is to be added to coverage (e.g., a new Eligible Employee or a new Eligible Dependent, including a newborn or Adopted child), that individual's coverage shall be effective, as described in this section, provided we receive the applicable additional Premium payment within 30 days of the date we notified the Small Employer of such amount. In no event shall an individual be covered under this Small Employer Master Policy if we do not receive the applicable Premium payment within such time period.

Upon request, we will send you another certification of Creditable Coverage within a 24-month period after termination of coverage. You may call the customer service phone number indicated in this Booklet or on your ID Card to request the certification.

The succeeding carrier will be responsible for determining if our coverage meets the qualifying Creditable Coverage guidelines (e.g., no more than a 63-day break in coverage).

Section 13: Continuing Coverage

Introduction

This section describes the federal and Florida laws that cover continuation of coverage for certain former employees of Small Employers. While both federal and Florida law provide for continuation of coverage for certain employees of Small Employers, they do not overlap. Therefore, if federal law applies to the Small Employer, state law will not and vice versa.

Whether federal or Florida law will apply to your Small Employer will depend upon many factors, including but not limited to, the size of the Small Employer and whether the Small Employer is a church group or a government plan.

This section provides a description of both federal and Florida law continuation of coverage requirements. Contact your Small Employer to determine what continuation law is applicable to you.

Covered Domestic Partners and/or Covered Dependents of Domestic Partners are not entitled to continuing coverage but, may be entitled to apply for one of our conversion policies as set forth in the "Conversion Privilege" section of this Benefit Booklet.

Federal Continuation of Coverage Law

A federal continuation of coverage law, known as the Consolidated Omnibus Budget Reconciliation Act of 1985 (COBRA), as amended, may apply to the Small Employer. If COBRA applies to the Small Employer, you or your Covered Dependents may be entitled to continue coverage for a limited period of time, if you meet the applicable requirements, make a timely election, and pay the proper amount required to maintain coverage.

You must contact the Small Employer to determine if you or your Covered Dependents are entitled to COBRA continuation of coverage. The Small Employer is solely responsible for meeting all of the obligations under COBRA, including the obligation to notify all Covered Persons of their rights under COBRA. If the Small Employer or you fail to meet your obligations under COBRA and this Small Employer Master Policy, we will not be liable for any claims incurred by you or your Covered Dependents after your termination of coverage.

A summary of your COBRA rights and the general conditions for qualification for COBRA continuation coverage is provided below. This summary is not meant as a representation that any of the COBRA obligations of the Small Employer are met by the purchase of the Small Employer Master Policy; the duty to meet such obligations remains with the Small Employer.

The following is a summary of what you may elect, if COBRA applies to the Small Employer and you are eligible for such coverage:

1. You may elect to continue your coverage for a period not to exceed 18 months* in the case of:
 - a. termination of employment of the Covered Employee other than for gross misconduct; or
 - b. reduced hours of employment of the Covered Employee.

***Note:** You and your Covered Dependents are eligible for an 11 month extension of the 18 month COBRA continuation option above (to a total of 29 months) if you or your Covered Dependent is totally disabled (as defined by the Social Security Administration [SSA]) at the time of your termination, reduction in hours or within the first 60 days

of COBRA continuation coverage. You must supply notice of the disability determination to the Small Employer within 18 months of becoming eligible for continuation coverage and no later than 60 days after the SSA's determination date.

2. Your Covered Dependent(s) may elect to continue their coverage for a period not to exceed 36 months in the case of:
 - a. the Covered Employee's entitlement to Medicare;
 - b. divorce or legal separation of the Covered Employee;
 - c. death of the Covered Employee;
 - d. the employer files bankruptcy (subject to bankruptcy court approval); or
 - e. a Covered Dependent child may elect the 36-month extension if the Covered Dependent child ceases to be an Eligible Dependent under the terms of the Small Employer Master Policy.

Children born to or placed for Adoption with the Covered Employee during the continuation coverage periods noted above are also eligible for the remainder of the continuation period.

If you are eligible to continue group health insurance coverage pursuant to COBRA, the following conditions must be met:

1. The Small Employer must notify you of your continuation of coverage rights under COBRA within 14 days of the event that creates the continuation option. If coverage would be lost due to Medicare entitlement, divorce, legal separation or the failure of a Covered Dependent child to meet eligibility requirements, you or your Covered Dependent must notify the Small Employer, in writing, within 60 days of any of these events. The Small Employer's 14-day notice

requirement runs from the date of receipt of such notice.

2. You must elect to continue the coverage within 60 days of the later of:
 - a. the date that the coverage terminates; or
 - b. the date the notification of continuation of coverage rights is sent by the Small Employer.
3. COBRA coverage will terminate if you become covered under any other group health plan. However, COBRA coverage may continue if the new group health plan contains exclusions or limitations due to a Pre-existing Condition that would affect your coverage.
4. COBRA coverage will terminate if you become entitled to Medicare.
5. If you are totally disabled and eligible and elect to extend your continuation of coverage, you may not continue such extension of coverage more than 30 days after a determination by the SSA that you are no longer disabled. You must inform the Small Employer of the SSA's determination within 30 days of such determination.
6. You must meet all Premium payment requirements, and all other eligibility requirements described in COBRA, and, to the extent not inconsistent with COBRA, as described in the Small Employer Master Policy.
7. The Small Employer must continue to provide group health coverage to its employees.

An election by a Covered Employee or Covered Dependent spouse shall be deemed to be an election for any other qualified beneficiary related to that Covered Employee or Covered

Dependent spouse, unless otherwise specified in the election form.

Note: This section shall not be interpreted to grant any continuation rights in excess of those required by COBRA and/or Section 4980B of the Internal Revenue Code. Additionally, the Small Employer Master Policy shall be deemed to have been modified, and shall be interpreted, so as to comply with COBRA and changes to COBRA that are mandatory with respect to the Small Employer.

Florida Continuation of Coverage Law

Section 627.6692, *Florida Statutes*, known as the Florida Health Insurance Coverage Continuation Act, requires that a Small Employer, who does not qualify for COBRA coverage, offer you the opportunity for a temporary extension of health coverage (called "continuation of coverage") in certain instances where coverage under the Small Employer Master Policy would otherwise end. The Small Employer may not qualify for COBRA coverage for many reasons, including, but not limited to, the Small Employer employs fewer than 20 employees or is a state or local government plan, or church plan.

You have certain rights and obligations under the continuation of coverage provision of the law. These rights are outlined below.

Initial Notice to Choose Continuation of Coverage:

It is your responsibility to notify the designated administrator of any event that qualifies you to continue coverage under this Small Employer Master Policy. Please refer to the Notice Requirements in this section.

Types of Qualifying Events

If your Small Employer has fewer than 20 employees, you have the right to continue

coverage under the Florida continuation of coverage law if:

1. you lose group health coverage because of a reduction in your hours of employment; or
2. your employment is terminated, for reasons other than gross misconduct on your part.

The Covered Dependent spouse of the Covered Employee has the right to choose continuation of coverage if the group health coverage is lost for any of the following four reasons:

1. the death of the Covered Employee;
2. the termination of the Covered Employee's employment (for reasons other than gross misconduct) or a reduction in the Covered Employee's hours of employment;
3. divorce or legal separation from the Covered Employee; or
4. the Covered Employee becomes entitled to Medicare.

The Covered Dependent child of a Covered Employee has the right to continuation of coverage if group health coverage is lost for any of the following reasons:

1. the death of the Covered Employee;
2. the termination of the Covered Employee employment (for reasons other than gross misconduct) or a reduction in the Covered Employee's hours of employment;
3. parents' divorce or legal separation;
4. the Covered Employee becomes entitled to Medicare; or
5. the dependent ceases to be a Covered Dependent under the terms of the Small Employer Master Policy.

You also have a right to elect continuation of coverage if you are covered under the Small Employer Master Policy as a retiree, or spouse or child of a retiree, and lose coverage within

one year before or after the commencement of proceeding under Title 11 (bankruptcy), United States Code, by the Small Employer from whose employment the Covered Employee retired.

Notice Requirements

You must inform Coverage Continuation Service (CCS) of any qualifying event under the Small Employer Master Policy. **This notification must be postmarked no later than 63 days after the date of the qualifying event that would cause a loss of coverage.**

The notice must be in writing and include:

1. the name and address of the qualified beneficiary;
2. the social security number of the qualified beneficiary;
3. the name of the Small Employer;
4. the insurance carrier's name;
5. one of the applicable qualifying event as listed above;
6. the date of the qualifying event;
7. the daytime telephone number of the qualified beneficiary;
8. the Covered Employee's social security number;
9. the Small Employer Master Policy number; and
10. the name and address of all other qualified beneficiaries.

When CCS receives timely written notice as described above, CCS will send you, by Certified Mail a premium notice and election form. You have 30 days from the date of receipt of the form to elect continuation of coverage. To elect continuation of coverage, complete and return the form with applicable premium payment to CCS. Continuation of coverage begins on the day after coverage would

otherwise be terminated, only if CCS receives the form and full premium payment within the allotted time period and all other eligibility requirements are satisfied.

If you do not elect continuation of coverage and pay the premium, your group health coverage will terminate in accordance with the provisions outlined in this Booklet.

If you chose continuation of coverage, the coverage will be identical to the coverage provided under the Small Employer Master Policy to similarly situated individuals. The law requires that you be given the opportunity to maintain continuation coverage for 18 months. However, the law also provides that your continuation of coverage may be terminated for any of the following reasons:

1. the Small Employer no longer provides group health coverage to any of its employees;
2. the premium for your continuation of coverage is not paid within 30 days;
3. after electing continuation of coverage, you become covered under any other group health plan (as an employee or otherwise) which does not contain any exclusion or limitation with respect to any Pre-existing Condition; or
4. after electing continuation of coverage, you are approved for Medicare.

Note: A qualified beneficiary who is determined under Title II or XVI of the Social Security Act, to have been disabled as of the date of termination of employment or reduction in hours may be eligible to continue coverage for an additional 11 months (29 months total). The qualified beneficiary must notify CCS within 60 days of receipt of the determination of disability by the Social Security Administration and prior to the end of the 18-month continuation period. We can charge up to 150 percent of the Rate during

the 11-month extension. You must notify us within 30 days of any final determination that you are no longer disabled.

You do not have to show insurability to choose continuation of coverage. However, you may have to pay up to 115 percent of the applicable premium for continuation of coverage. The law also requires that, at the end of the 18-month or 29-month continuation of coverage period, you may enroll in an individual conversion health plan provided under the current group health plan.

Any questions regarding these provisions or notifications required by this section should be directed to the person or office shown below. If your address or marital status has changed, please notify in writing, the person or office shown below:

Section 14: Conversion Privilege

Eligibility Criteria for Conversion

You are entitled to apply for a BCBSF individual policy (hereinafter referred to as a “converted policy” or “conversion policy”) if:

1. you were continuously covered for at least three months under the Small Employer Master Policy, and/or under another group policy with your Small Employer, that provided similar benefits immediately prior to the Small Employer Master Policy; and
2. your coverage was terminated for any reason, including discontinuance of the Small Employer Master Policy in its entirety and termination of continued coverage under COBRA.

Notify us in writing or by telephone if you are interested in a conversion policy. Within 14 days of such notice, we will send you a conversion policy application, premium notice and outline of coverage. The outline of coverage will contain a brief description of the benefits and coverage, exclusions and limitations, and the applicable Cost Share provisions.

We must receive a completed application for a converted policy, and the applicable premium payment, within the 63-day period beginning on the date coverage under the Small Employer Master Policy terminated. If coverage has been terminated due to the non-payment of premium by the Small Employer, we must receive the completed converted policy application and the applicable premium payment within the 63-day period beginning on the date notice was given that the Small Employer Master Policy terminated.

In the event we do not receive the converted policy application and the initial premium payment within such 63-day period, your

converted policy application will be denied and you will not be entitled to a converted policy.

Additionally, you are not entitled to a converted policy if:

1. you are eligible for or covered under the Medicare program;
2. you failed to pay the contribution required by the Small Employer for coverage under the Small Employer Master Policy on a timely basis;
3. the Small Employer Master Policy was replaced within 31 days after termination by any group policy, contract, plan, or program, including a self-insured plan or program, that provides benefits similar to the benefits provided under this Booklet; or
4. any of the following apply to you:
 - a. you are covered under any Hospital, surgical, medical or major medical policy or contract or under a prepayment plan or under any other plan or program that provides benefits that are similar to the benefits provided under this Booklet; or
 - b. you are eligible, whether or not covered, under any arrangement of coverage for individuals in a group, whether on an insured, uninsured, or partially insured basis, for benefits similar to those provided under this Booklet; or
 - c. benefits similar to the benefits provided under this Booklet are provided for or are available to you pursuant to or in accordance with the requirements of any state or federal law (e.g., COBRA, Medicaid); and

The benefits provided under the sources referred to in paragraph 4.a. or the benefits provided or available under the source

referred to in paragraph 4.b. and 4.c. above, together with the benefits provided by our converted policy would result in over insurance in accordance with our over insurance standards, as determined by us.

by Florida law, however we may have other options available to you. Call the phone number on your ID card for more information.

Other Provisions Regarding Conversion

1. We have no obligation to notify you of this conversion privilege when your coverage terminates or at any other time. It is your sole responsibility to exercise this conversion privilege by submitting a BCBSF converted policy application and the initial premium payment to us on a timely basis.
2. The converted policy may be issued without evidence of insurability and shall be effective the day following the day your coverage under the Small Employer Master Policy terminated.
3. Our converted policies are not a continuation of coverage under COBRA or any other states' similar laws.
4. Coverage and benefits provided under a converted policy will not be identical to the coverage and benefits provided under this Booklet.
5. When applying for our converted policy, you have two options:
 - a. a converted policy providing major medical coverage meeting the requirements of 627.6675(10) *Florida Statutes*; or
 - b. a converted policy providing coverage and benefits identical to the coverage and benefits required to be provided under a Small Employer standard health benefit plan pursuant to Section 627.6699(12) *Florida Statutes*.
6. In any event, we will not be required to issue a converted policy unless required to do so

Section 15: Extension of Benefits

Extension of Benefits

In the event the Small Employer Master Policy is terminated, we will not provide coverage for any Service rendered on or after the termination date. The extension of benefits provisions described below only apply when the entire Small Employer Master Policy is terminated. The extension of benefits described in this section does not apply when your coverage terminates and the Small Employer Master Policy remains in effect. The extension of benefits provisions are subject to all of the other provisions, including the limitations and exclusions.

Note: It is your sole responsibility to provide acceptable documentation to us showing that you are entitled to an extension of benefits.

1. In the event you are totally disabled on the termination date of the Small Employer Master Policy as a result of a specific Accident or illness incurred while you were covered under this Booklet, as determined by us, we will provide a limited extension of benefits for the disabled individual only. This extension of benefits is for Covered Services necessary to treat the disabling Condition only. This extension of benefits will only continue as long as the disability is continuous and uninterrupted. In any event, this extension of benefits will automatically terminate at the end of the 12-month period beginning on the termination date of the Small Employer Master Policy.

For purposes of this section, you will be considered “totally disabled” only if, in our opinion, you are unable to work at any gainful job for which you are suited by education, training, or experience, and you require regular care and attendance by a Physician. You are totally disabled only if, in

our opinion, you are unable to perform those normal day-to-day activities which you would otherwise perform and you require regular care and attendance by a Physician.

2. In the event you are receiving covered dental treatment as of the termination date of the Small Employer Master Policy, we will provide a limited extension of such covered dental treatment provided:
 - a. a course of dental treatment or dental procedures were recommended in writing and commenced in accordance with the terms specified herein while you were covered under the Small Employer Master Policy;
 - b. the dental procedures were procedures for other than routine examinations, prophylaxis, x-rays, sealants, or orthodontic services; and
 - c. the dental procedures were performed within 90 days after the Small Employer Master Policy terminated.

This extension of benefits is for Covered Services necessary to complete the dental treatment only. This extension of benefits will automatically terminate at the end of the 90-day period beginning on the termination date of the Small Employer Master Policy or on the date you become covered under a succeeding insurance, health maintenance organization or self-insured plan providing coverage or Services for similar dental procedures. You are not required to be totally disabled in order to be eligible for this extension of benefits.

Please refer to the Dental Services category of the “What Is Covered?”

section for a description of the dental Services covered under this Booklet.

3. In the event you are pregnant as of the termination date of the Small Employer Master Policy, we will provide a limited extension of the maternity expense benefits covered under this Booklet, provided the pregnancy commenced while the pregnant individual was covered under the Small Employer Master Policy, as determined by us. This extension of benefits is for Covered Services necessary to treat the pregnancy only. This extension of benefits will automatically terminate on the date of the birth of the child. You are not required to be totally disabled in order to be eligible for this extension of benefits.

SAMPLE

Section 16: Medicare Secondary Payer Provisions

When you become covered under Medicare and continue to be eligible and covered under the Small Employer Master Policy, our coverage will be primary and the Medicare benefits will be secondary, but only to the extent required by law. In all other instances, our coverage will be secondary to any Medicare benefits. If we are the primary payer, claims for Covered Services should be filed with us first.

Under Medicare, your Small Employer MAY NOT offer, subsidize, procure or provide a Medicare supplement policy to you. Also, your Small Employer MAY NOT induce you to decline or terminate your group health insurance coverage and elect Medicare as primary payer.

If you become 65 or become eligible for Medicare due to End Stage Renal Disease (“ESRD”), you must notify your Small Employer.

Individuals with End Stage Renal Disease

If you are entitled to Medicare coverage because of ESRD, we will provide group health coverage on a primary basis for 30 months beginning with the earlier of:

1. the month in which you became entitled to Medicare Part A ESRD benefits; or
2. the first month in which you would have been entitled to Medicare Part A ESRD benefits if a timely application had been made.

If Medicare was primary prior to the time you became eligible due to ESRD, then Medicare will remain primary (i.e., persons entitled due to disability whose employer has less than 100 employees, retirees and/or their spouses over the age of 65). Also, if group health insurance coverage was primary prior to ESRD entitlement, then the group health insurance

coverage will remain primary for the ESRD coordination period. If you become eligible for Medicare due to ESRD, we will provide group health coverage, as described in this section, on a primary basis for 30 months.

Miscellaneous

1. This section shall be subject to, modified (if necessary) to conform to or comply with, and interpreted with reference to the requirements of federal statutory and regulatory Medicare Secondary Payer provisions as those provisions relate to Medicare beneficiaries who are covered under the Small Employer Master Policy.
2. We will not be liable to the Small Employer or to any individual covered under the Small Employer Master Policy on account of any nonpayment of primary benefits resulting from any failure of performance of the Small Employer's obligations as described in this section.
3. If we should elect to make primary payments for Covered Services rendered to an employee or Dependent described in this section in a period prior to receipt of the information required by the terms of this section, we may require the Small Employer to reimburse us for such payments. Alternatively, we may require the Small Employer to pay the Rate differential that resulted from the Small Employer's failure to provide us with the required information in a timely manner.

Section 17: Duplication of Coverage

Coordination of Benefits

Coordination of Benefits (“COB”) is a limitation of coverage and/or benefits to be provided by us. This provision is required by and subject to applicable federal and/or Florida law concerning coordination of health insurance benefits and will be modified to the extent necessary to enable us to comply with such laws.

COB determines the manner in which expenses will be paid when you are covered under more than one health plan, program, or policy providing benefits for Health Care Services. COB is designed to avoid the costly duplication of payment for Covered Services. It is your responsibility to provide us and your Physician with information concerning any duplication of coverage under any other health plan, program, or policy you or your Covered Dependents may have. This means you must notify us in writing if you have other applicable coverage or if there is no other coverage. You may be requested to provide this information at initial enrollment, by written correspondence annually thereafter, or in connection with a specific Health Care Service you receive. If we do not receive the information we request from you, we may deny your claims and you will be responsible for payment of any expenses related to denied claims.

Health plans, programs or policies which may be subject to COB include, but are not limited to, the following which will be referred to as “plan(s)” for purposes of this section:

1. any group or non-group health insurance, group-type self-insurance, or HMO plan;
2. any group plan issued by any Blue Cross and/or Blue Shield organizations;
3. any other plan, program or insurance policy, including an automobile PIP insurance policy and/or medical payment coverage

with which the law permits us to coordinate benefits;

4. Medicare, as described in the “Medicare Secondary Payer” section; and
5. to the extent permitted by law, any other government sponsored health insurance program.

The amount of our payment, if any, when we coordinate benefits under this section, is based on whether or not we are the primary payer. When we are primary, we will pay for Covered Services without regard to coverage under other plans. When we are not primary, our payment for Covered Services may be reduced so that total benefits under all your plans will not exceed 100 percent of the total reasonable expenses actually incurred for Covered Services. For purposes of this section, in the event you receive Covered Services from a NetworkBlue Provider or an Out-of-Network Provider who participates in our Traditional Program, “total reasonable expenses” shall mean the amount we are obligated to pay to the Provider pursuant to the applicable agreement we have with such Provider. **In the event that the primary payer’s payment exceeds our Allowed Amount, no payment will be made for such Services.**

The following rules shall be used to establish the order in which benefits under the respective plans will be determined:

1. When we cover you as a Covered Dependent and the other plan covers you as other than a dependent, we will be secondary.
2. When we cover a dependent child whose parents are not separated or divorced:

- a. the plan of the parent whose birthday, excluding year of birth, falls earlier in the year will be primary; or
 - b. if both parents have the same birthday, excluding year of birth, and the other plan has covered one of the parents longer than us, we will be secondary.
3. When we cover a dependent child whose parents are separated or divorced:
- a. if the parent with custody is not remarried, the plan of the parent with custody is primary;
 - b. if the parent with custody has remarried, the plan of the parent with custody is primary; the step-parent's plan is secondary; and the plan of the parent without custody pays last;
 - c. regardless of which parent has custody, whenever a court decree specifies the parent who is financially responsible for the child's health care expenses, the plan of that parent is primary.
4. When we cover a dependent child and the dependent child is also covered under another plan:
- a. the plan of the parent who is neither laid off nor retired will be primary; or
 - b. if the other plan is not subject to this rule, and if, as a result, such plan does not agree on the order of benefits, this paragraph shall not apply.
5. When rules 1, 2, 3, and 4 above do not establish an order of benefits, the plan which has covered you the longest shall be primary.

We will not coordinate benefits against an indemnity-type policy, an excess insurance policy, a policy with coverage limited to specified illnesses or accidents, or a Medicare supplement policy.

6. If you are covered under a COBRA continuation plan as a result of the purchase of coverage as provided under the Consolidated Omnibus Budget Reconciliation Act of 1985, as amended, and also under another group plan, the following order of benefits applies:
- a. first, the plan covering the person as an employee, or as the employee's Dependent; and
 - b. second, the coverage purchased under the plan covering the person as a former employee, or as the former employee's Dependent provided according to the provisions of COBRA.
7. If the other plan does not have rules that establish the same order of benefits as under this Booklet, the benefits under the other plan will be determined primary to the benefits under this Booklet.

Facility of Payment

Whenever payments which are payable by us under this Booklet are made by any other person, plan, or organization, we will have the right, exercisable alone and in our sole discretion, to pay over to any such person, plan, or organization making such other payments, any amounts we determine to be required in order to satisfy our coverage obligations hereunder. Amounts so paid shall be deemed to be paid under this Booklet and, to the extent of such payments, we will be fully discharged from liability.

Non-Duplication of Government Programs and Workers' Compensation

The benefits under this Booklet shall not duplicate any benefits to which you or your Covered Dependents are entitled to or eligible for under government programs (e.g., Medicare, Medicaid, Veterans Administration) or Workers' Compensation to the extent allowed by law, or under any extension of benefits of coverage under a prior plan or program which may be provided or required by law.

Section 18: Subrogation and Right of Reimbursement

Subrogation

If you are injured or become ill as a result of another person's or entity's intentional act, negligence or fault, you must notify us concerning the circumstances under which you were injured or became ill. You or your lawyer must notify us, by certified or registered mail, if you intend to claim damages from someone for injuries or illness. If you recover money to compensate for the cost/expense of Health Care Services to treat your illness or injury, we are legally entitled to recover out of such money any payments we made on your behalf to the doctors, hospitals, or other providers who treated you. Our legal right to recover money we have paid in such cases is called "subrogation". We may recover the amount of any payments we made on your behalf minus our pro rata share for any costs and attorney fees incurred by you in pursuing and recovering damages. We may subrogate against all money recovered regardless of the source of the money including, but not limited to, uninsured motorist coverage and Workers' Compensation. Although we may, but are not required to, take into consideration any special factors relating to your specific case in resolving our subrogation claim, we will have the first right of recovery out of any recovery or settlement amount you are able to obtain even if you or your attorney believes that you have not been made whole for your losses or damages by the amount of the recovery or settlement.

You must do nothing to prejudice our right of subrogation hereunder and no waiver, release of liability, or other documents executed by you, without notice to us and our written consent, will be binding upon us.

Right of Reimbursement

If any payment under this Booklet is made to you or on your behalf with respect to any injury or illness resulting from the intentional act, negligence, or fault of a third person or entity, we will have a right to be reimbursed by you (out of any settlement or judgment proceeds you recover) one dollar (\$1.00) for each dollar paid under the terms of this Booklet minus a pro rata share for any costs and attorney fees incurred in pursuing and recovering such proceeds.

Our right of reimbursement will be in addition to any subrogation right or claim available to us, and you must execute and deliver such instruments or papers pertaining to any settlement or claim, settlement negotiations, or litigation as may be requested by us to exercise our right of reimbursement hereunder. You or your lawyer must notify us, by certified or registered mail, if you intend to claim damages from someone for injuries or illness. You must do nothing to prejudice our right of reimbursement hereunder and no waiver, release of liability, or other documents executed by you, without notice to us and our written consent, will be binding upon us.

Section 19: Claims Processing

Introduction

This section is intended to:

- help you understand what you or your treating Providers must do, under the terms of this Benefit Booklet, in order to obtain payment for expenses for Covered Services they have rendered or will render to you; and
- provide you with a general description of the applicable procedures we will use for making Adverse Benefit Determinations, Concurrent Care Decisions and for notifying you when we deny benefits.

If your Group Plan is subject to the Employee Retirement Income Security Act of 1974 (ERISA), your plan administrator is solely responsible for complying with ERISA. While the benefit determination timeliness standards set forth in this section are generally consistent with ERISA, we are not legally responsible for notifying you of any rights you may have under ERISA. If you are not sure of your rights under ERISA, you should contact your plan administrator or an attorney of your choice. We will follow the claim determination procedures and notice requirements set forth in this section even if your Group Plan is not subject to ERISA.

Under no circumstances will we be held responsible for, nor will we accept liability relating to, the failure of your Group Plan's sponsor or plan administrator to: 1) comply with ERISA's disclosure requirements; 2) provide you with a Summary Plan Description (SPD) as that term is defined by ERISA; or 3) comply with any other legal requirements. You should contact your plan sponsor or administrator if you have questions relating to your Group Plan's SPD. We are not your Group Plan's sponsor or plan administrator. In most cases, a plan's sponsor

or plan administrator is the employer who establishes and maintains the plan.

Types of Claims

For purposes of this Benefit Booklet, there are three types of claims: 1) Post-Service Claims, 2) Pre-Service Claims; and 3) Claims Involving Urgent Care. It is important that you become familiar with the types of claims that can be submitted to us and the timeframes and other requirements that apply.

Post-Service Claims

How to File a Post-Service Claim

We have defined and described the three types of claims that may be submitted to us. Our experience shows that the most common type of claim we will receive from you or your treating Providers will likely be Post-Service Claims.

NetworkBlue Providers and Traditional Insurance Providers have agreed to file Post-Service Claims for Services they render to you. In the event a Provider who renders Services to you does not file a Post-Service Claim for such Services, it is your responsibility to file it with us.

We must receive a Post-Service Claim within 90 days of the date the Health Care Service was rendered or, if it was not reasonably possible to file within such 90-day period, as soon as possible. In any event, no Post-Service Claim will be considered for payment if we do not receive it at the address indicated on your Identification Card within one year of the date the Service was rendered unless you were legally incapacitated.

For Post-Service Claims, we must receive an itemized statement from the health care Provider for the Service rendered along with a completed claim form. The itemized statement must contain the following information:

1. the date the Service was provided;
2. a description of the Service including any applicable procedure codes;
3. the amount actually charged by the Provider;
4. the diagnosis including any applicable diagnosis codes;
5. the Provider's name and address;
6. the name of the individual who received the Service; and
7. the Covered Employee's name and contract number as they appear on the Identification Card.

The itemized statement and claim form must be received by us at the address indicated on your Identification Card.

Note: If the Small Employer purchased retail pharmacy Prescription Drug coverage, please refer to the Pharmacy Program Endorsement for information on the processing of Prescription Drug claims. Special claims processing rules may apply for Health Care Services you receive outside the state of Florida under the BlueCard[®] Program. See the "BlueCard[®] (Out-of-State) Program" section for additional information.

The Processing of Post-Service Claims

We will use our best efforts to pay, contest, or deny all Post-Service Claims for which we have all of the necessary information, as determined by us. Post-Service Claims will be paid, contested, or denied within the timeframes described below.

Payment for Post-Service Claims

When payment is due under the terms of this Benefit Booklet, we will use our best efforts to pay (in whole or in part) for electronically submitted Post-Service Claims within 20 days of receipt. Likewise, we will use our best efforts to pay (in whole or in part) for paper Post-Service

Claims within 40 days of receipt. You may receive notice of payment for paper claims within 30 days of receipt. If we are unable to determine whether the claim or a portion of the claim is payable because we need additional information, we may contest the claim within the timeframes set forth below.

Contested Post-Service Claims

In the event we contest an electronically submitted Post-Service Claim, or a portion of such a claim, we will use our best efforts to provide notice, within 20 days of receipt, that the claim or a portion of the claim is contested. In the event we contest a Post-Service Claim submitted on a paper claim form, or a portion of such a claim, we will use our best efforts to provide notice, within 30 days of receipt, that the claim or a portion of the claim is contested. Our notice may identify: 1) the contested portion or portions of the claim; 2) the reasons for contesting the claim or a portion of the claim; and 3) the date we reasonably expect to notify you of the decision. The notice may also indicate whether additional information is needed in order to complete processing of the claim. If we request additional information, we must receive it within 45 days of our request. **If we do not receive the requested information, the claim or a portion of the claim will be adjudicated based on the information in our possession at the time and may be denied.** Upon receipt of the requested information, we will use our best efforts to complete the processing of the Post-Service Claim within 15 days of receipt of the information.

Denial of Post-Service Claims

In the event we deny a Post-Service Claim submitted electronically, we will use our best efforts to provide notice, within 20 days of receipt, that the claim or a portion of the claim is denied. In the event we deny a paper Post-Service Claim, we will use our best efforts to provide notice, within 30 days of receipt, that the

claim or a portion of the claim is denied. The notice may identify the denied portion or portions of the claim and the reasons for denial. It is your responsibility to ensure that we receive all information determined by us as necessary to adjudicate a Post-Service Claim. **If we do not receive the necessary information, the claim or a portion of the claim may be denied.**

A Post-Service Claim denial is an Adverse Benefit Determination and is subject to the Adverse Benefit Determination standards and appeal procedures described in this section.

Additional Processing Information for Post-Service Claims

In any event, we will use our best efforts to pay or deny all: 1) electronic Post-Service Claims within 90 days of receipt of the completed claim; and 2) Post-Service paper claims within 120 days of receipt of the completed claim. Claims processing shall be deemed to have been completed as of the date the notice of the claims decision is deposited in the mail by us or otherwise electronically transmitted. Any claims payment relating to a Post-Service Claim that is not made by us within the applicable timeframe is subject to the payment of simple interest at the rate established by *Florida Insurance Code*.

We will investigate any allegation of improper billing by a Provider upon receipt of written notification from you. If we determine that you were billed for a Service that was not actually performed, any payment amount will be adjusted and, if applicable, a refund will be requested. In such a case, if payment to the Provider is reduced due solely to the notification from you, we will pay you 20 percent of the amount of the reduction, up to a total of \$500.

Pre-Service Claims

How to File a Pre-Service Claim

This Benefit Booklet may condition coverage, benefits, or payment (in whole or in part), for a

specific Covered Service, on the receipt by us of a Pre-Service Claim as that term is defined herein. In order to determine whether we must receive a Pre-Service Claim for a particular Covered Service, please refer to the "What Is Covered?" section and other applicable sections of this Benefit Booklet. You may also call the customer service phone number on your ID Card for assistance.

We are not required to render an opinion or make a coverage or benefit determination with respect to a Service that has not actually been provided to you unless the terms of this Benefit Booklet require (or condition payment upon) approval by us for the Service before it is received.

Benefit Determinations on Pre-Service Claims Involving Urgent Care

For a Pre-Service Claim Involving Urgent Care, we will use our best efforts to provide notice of our determination (whether adverse or not) as soon as possible, but not later than 72 hours after receipt of the Pre-Service Claim unless additional information is required for a coverage decision. If additional information is necessary to make a determination, we will use our best efforts to provide notice within 24 hours of: 1) the need for additional information; 2) the specific information that you or your Provider may need to provide; and 3) the date that we reasonably expect to provide notice of the decision. If we request additional information, we must receive it within 48 hours of our request. We will use our best efforts to provide notice of the decision on your Pre-Service Claim within 48 hours after the earlier of: 1) receipt of the requested information; or 2) the end of the period you were given to provide the additional information as described above.

Benefit Determinations on Pre-Service Claims that Do Not Involve Urgent Care

We will use our best efforts to provide notice of a decision on a Pre-Service Claim not involving urgent care within 15 days of receipt provided additional information is not required for a coverage decision. This 15-day determination period may be extended by us one time for up to an additional 15 days. If such an extension is necessary, we will use our best efforts to provide notice of the extension and reasons for it. We will use our best efforts to provide notification of the decision on your Pre-Service claim within a total of 30 days of the initial receipt of the claim, if an extension of time was taken by us.

If additional information is necessary to make a determination, we will use our best efforts to: 1) provide notice of the need for additional information, prior to the expiration of the initial 15-day period; 2) identify the specific information that you or your Provider may need to provide; and 3) inform you of the date that we reasonably expect to notify you of our decision. If we request additional information, we must receive it within 45 days of our request. We will use our best efforts to provide notification of the decision on your Pre-Service Claim within 15 days of receipt of the requested information.

A Pre-Service Claim denial is an Adverse Benefit Determination and is subject to the Adverse Benefit Determination standards and appeal procedures described in this section.

Concurrent Care Decisions

Reduction or Termination of Coverage or Benefits for Services

A reduction or termination of coverage or benefits for Services will be considered an Adverse Benefit Determination when:

1. we have approved in writing coverage or benefits for an ongoing course of Services to

be provided over a period of time or a number of Services to be rendered; and

2. the reduction or termination occurs before the end of such previously approved time or number of Services; and
3. the reduction or termination of coverage or benefits by us was not due to an amendment of this Benefit Booklet or termination of your coverage as provided by this Benefit Booklet.

We will use our best efforts to notify you of such reduction or termination in advance so that you will have a reasonable amount of time to have the reduction or termination reviewed in accordance with the Adverse Benefit Determination standards and procedures described in this section. In no event shall we be required to provide more than a reasonable period of time within which you may develop your appeal before we actually terminate or reduce coverage for the Services.

Requests for Extension of Services

Your Provider may request an extension of coverage or benefits for a Service beyond the approved period of time or number of approved Services. If the request for an extension is for a Claim Involving Urgent Care, we will use our best efforts to notify you of the approval or denial of such requested extension within 24 hours after receipt of your request, provided it is received at least 24 hours prior to the expiration of the previously approved number or length of coverage for such Services. We will use our best efforts to notify you within 24 hours if we need additional information; or you or your representative failed to follow proper procedures in your request for an extension. If we request additional information, you will have 48 hours to provide the requested information. We may notify you orally or in writing, unless you or your representative specifically request that it be in writing. A denial of a request for extension of

Services is considered an Adverse Benefit Determination and is subject to the Adverse Benefit Determination review procedure below.

Standards for Adverse Benefit Determinations

Manner and Content of a Notification of an Adverse Benefit Determination

We will use our best efforts to provide notice of any Adverse Benefit Determination in writing. Notification of an Adverse Benefit Determination will include, or will be made available to you free of charge upon request:

1. the specific reason or reasons for the Adverse Benefit Determination;
2. a reference to the specific Benefit Booklet provisions upon which the Adverse Benefit Determination is based, as well as any internal rule, guideline, protocol, or other similar criterion that was relied upon in making the Adverse Benefit Determination;
3. a description of any additional information that might change the determination and why that information is necessary;
4. a description of the Adverse Benefit Determination review procedures and the time limits applicable to such procedures; and
5. if the Adverse Benefit Determination is based on the Medical Necessity or Experimental or Investigational limitations and exclusions, a statement telling you how you can obtain the specific explanation of the scientific or clinical judgment for the determination.

If your claim is a Claim Involving Urgent Care, we may notify you orally within the proper timeframes, provided we follow up with a written or electronic notification meeting the requirements of this subsection no later than three days after the oral notification.

How to Appeal an Adverse Benefit Determination

Except as described below, only you, or a representative designated by you in writing, have the right to appeal an Adverse Benefit Determination. An appeal of an Adverse Benefit Determination will be reviewed using the review process described below. Your appeal must be submitted to us in writing for an internal appeal within 365 days of the original Adverse Benefit Determination, except in the case of Concurrent Care Decisions which may, depending upon the circumstances, require you to file within a shorter period of time from notice of the denial. The following guidelines are applicable to reviews of Adverse Benefit Determinations:

1. We must receive your appeal of an Adverse Benefit Determination in person or in writing;
2. You may request to review pertinent documents, such as any internal rule, guideline, protocol, or similar criterion relied upon to make the determination, and submit issues or comments in writing;
3. If the Adverse Benefit Determination is based on the lack of Medical Necessity of a particular Service or the Experimental or Investigational exclusion, you may request, free of charge, an explanation of the scientific or clinical judgment relied upon, if any, for the determination, that applies the terms of this Benefit Booklet to your medical circumstances.
4. During the review process, the Services in question will be reviewed without regard to the decision reached in the initial determination;
5. We may consult with appropriate Physicians, as necessary;
6. Any independent medical consultant who reviews your Adverse Benefit Determination

on our behalf will be identified upon request; and

7. If your claim is a Claim Involving Urgent Care, you may request an expedited appeal orally or in writing in which case all necessary information on review may be transmitted between you and us by telephone, facsimile or other available expeditious method.
8. If you wish to give someone else permission to appeal an Adverse Benefit Determination on your behalf, we must receive a completed Appointment of Representative form signed by you indicating the name of the person who will represent you with respect to the appeal. An Appointment of Representative form is not required if your Physician is appealing an Adverse Benefit Determination relating to a Claim Involving Urgent Care. Appointment of Representative forms are available at www.bcbsfl.com or by calling the number on the back of your ID Card.
9. If the Adverse Benefit Determination is based on the lack of Medical Necessity of a particular Service, or the Experimental or Investigational nature of a Service, you have the right to an independent external review through the External Review Organization designated in the How to Request External Review of Our Appeal Decision subsection. Your right to an External Review applies only when the Service is actually rendered by Physicians licensed as Doctors of Medicine (M.D.) or Doctors of Osteopathy (D.O.).

Your request for appeal should be sent to the address below:

Blue Cross and Blue Shield of Florida, Inc.
Attention Member Appeals
P.O. Box 44197
Jacksonville, Florida 32231-4197

Timing of Our Appeal Review on Adverse Benefit Determinations

We will use our best efforts to review your appeal of an Adverse Benefit Determination and communicate the decision in accordance with the following time frames:

1. Pre-Service Claims: within 30 days of our receipt of your appeal; or
2. Post-Service Claims: within 60 days of the receipt of your appeal; or
3. Claims Involving Urgent Care: (and requests to extend concurrent care Services made within 24 hours prior to the termination of the Services): within 72 hours of our receipt of your request. If additional information is necessary we will notify you within 24 hours and we must receive the requested information within 48 hours of our request. After we receive the additional information, we will have an additional 48 hours to make a final determination.

Note: The nature of a claim for Services (i.e. whether it is “urgent care” or not) is judged as of the time of the benefit determination on review, not as of the time the Service was initially reviewed or provided.

Your Rights under Florida Statute 627.6141

You, or a Provider acting on your behalf, who has had a claim denied as not Medically Necessary has the opportunity to appeal the claim denial. The appeal may be directed to an employee of BCBSF who is a licensed Physician responsible for Medical Necessity reviews. The appeal may be by telephone and the Physician will respond to you, within a reasonable time, not to exceed 15 business days.

How to Request External Review of Our Appeal Decision

If you are not satisfied with our internal review of your appeal of an Adverse Benefit Determination based on the lack of Medical Necessity or Experimental or Investigational nature of a Service you received from Physicians licensed as Doctors of Medicine (M.D.) or Doctors of Osteopathy (D.O.), you may appeal our decision through an External Review Organization. Our denial letter will provide information regarding this External Review Organization.

Only Adverse Benefit Determinations based on the lack of Medical Necessity or Experimental or Investigational nature of a Service you actually received will be reviewed by the External Review Organization.

The External Review Organization's determination with respect to your appeal shall be binding upon you, your Physician, and us.

Additional Claims Processing Provisions

Release of Information/Cooperation

In order to process claims, we may need certain information, including information regarding other health care coverage you may have. You must cooperate with us in our effort to obtain such information by, among other ways, signing any release of information form at our request. Failure by you to fully cooperate with us may result in a denial of the pending claim and we will have no liability for such claim.

Physical Examination

In order to make coverage and benefit decisions, we may, at our expense, require you to be examined by a health care Provider of our choice as often as is reasonably necessary while a claim is pending. Failure by you to fully cooperate with such examination shall result in a

denial of the pending claim and we shall have no liability for such claim.

Legal Actions

No legal action arising out of or in connection with coverage under this Benefit Booklet may be brought against us within the 60-day period following our receipt of the completed claim as required herein. Additionally, no such action may be brought after expiration of the applicable statute of limitations.

Fraud, Misrepresentation or Omission in Applying for Benefits

We rely on the information provided on the itemized statement and the claim form when processing a claim. All such information, therefore, must be accurate, truthful and complete. Any fraudulent statement, omission or concealment of facts, misrepresentation, or incorrect information may result, in addition to any other legal remedy we may have, in denial of the claim or cancellation or rescission of your coverage.

Explanation of Benefits Form

All claims decisions, including denial and claims review decisions, will be communicated to you in writing either on an explanation of benefits form or some other written correspondence. This form may indicate:

1. The specific reason or reasons for the Adverse Benefit Determination;
2. Reference to the specific Benefit Booklet provisions upon which the Adverse Benefit Determination is based as well as any internal rule, guideline, protocol, or other similar criterion that was relied upon in making the Adverse Benefit Determination;
3. A description of any additional information that would change the initial determination and why that information is necessary;

4. A description of the applicable Adverse Benefit Determination review procedures and the time limits applicable to such procedures; and
5. If the Adverse Benefit Determination is based on the Medical Necessity or Experimental or Investigational limitations and exclusions, a statement telling you how you can obtain the specific explanation of the scientific or clinical judgment for the determination.

Circumstances Beyond Our Control

To the extent that natural disaster, war, riot, civil insurrection, epidemic, or other emergency or similar event not within our control, results in facilities, personnel or our financial resources being unable to process claims for Covered Services, we will have no liability or obligation for any delay in the payment of claims for Covered Services, except that we will make a good faith effort to make payment for such Services, taking into account the impact of the event. For the purposes of this paragraph, an event is not within our control if we cannot effectively exercise influence or dominion over its occurrence or non-occurrence.

ERISA Civil Action Provision

A federal law known as the Employee Retirement Security Act of 1974 (ERISA), as amended, may apply to the Group Plan. If ERISA applies to the Group Plan, you or your Covered Dependents are entitled, after exhaustion of the appeal procedures provided for in this section, to pursue civil action under Section 502(a) of ERISA in connection with an Adverse Benefit Determination or any other legal or equitable remedy otherwise available.

Section 20: Relationships Between the Parties

BCBSF and Health Care Providers

Neither BCBSF nor any of its officers, directors or employees provides Health Care Services to you. Rather, we are engaged in making coverage and benefit decisions under this Booklet. By accepting our coverage and benefits, you agree that making such coverage and benefit decisions does not constitute the rendering of Health Care Services and that health care Providers rendering those Services are not our employees or agents. **In this regard, we hereby expressly disclaim any agency relationship, actual or implied, with any health care Provider.** We do not, by virtue of making coverage, benefit, and payment decisions, exercise any control or direction over the medical judgment or clinical decisions of any health care Provider. Any decisions we make concerning appropriateness of setting, or whether any Service is Medically Necessary, shall be deemed to be made solely for purposes of determining whether such Services are covered, and not for purposes of recommending any treatment or non-treatment. Neither BCBSF nor the Small Employer will assume liability for any loss or damage arising as a result of acts or omissions of any health care Provider.

BCBSF and the Small Employer

Neither the Small Employer nor any person covered under this Booklet is our agent or representative, and neither shall be liable for any acts or omissions by our agents, servants, employees, or us. Additionally, we will not be liable, whether in tort or contract or otherwise, for any acts or omissions of any other person or organization with which we have made or hereafter make arrangements for the provision of Covered Services. We are not your agent, servant, or representative nor are we an agent, servant, or representative of the Small Employer

and we will not be liable for any acts or omissions, or those of the Small Employer, its agents, servants, employees, or any person or organization with which the Small Employer has entered into any agreement or arrangement. By acceptance of coverage and benefits hereunder, you agree to the foregoing.

Medical Treatment Decisions - Responsibility of Your Physician, Not BCBSF

Any and all decisions that require or pertain to independent professional medical judgment or training, or the need for medical Services or supplies, must be made solely by you, your family and your treating Physician in accordance with the patient/Physician relationship. It is possible that you or your treating Physician may conclude that a particular procedure is needed, appropriate, or desirable, even though such procedure may not be covered.

Section 21: General Provisions

Access to Information

We have the right to receive, from you and any health care Provider rendering Services to you, information that is reasonably necessary, as determined by us, in order to administer the coverage and benefits we provide, subject to all applicable confidentiality requirements listed in this section. By accepting coverage, you authorize every health care Provider who renders Services to you, to disclose to us or to entities affiliated with us, upon request, all facts, records, and reports pertaining to your care, treatment, and physical or mental condition, and to permit us to copy any such records and reports so obtained.

Amendment

The terms of coverage and benefits to be provided by us may be amended at renewal of the Small Employer Master Policy, without the consent of the Small Employer, you or any other person, upon 45 days prior written notice to the Small Employer. In the event the amendment is unacceptable to the Small Employer, the Small Employer may terminate the Small Employer Master Policy upon at least ten days prior written notice to us. Any such amendment will be without prejudice to claims filed with us and related to Covered Services prior to the date of such amendment. No agent or other person, except a duly authorized officer of BCBSF, has the authority to modify the terms of the Small Employer Master Policy, or to bind us in any manner not expressly described herein, including but not limited to the making of any promise or representation, or by giving or receiving any information. The terms of coverage and benefits to be provided by us may not be amended by the Small Employer unless such amendment is evidenced in writing and signed by a duly authorized officer of BCBSF.

The Small Employer shall immediately notify you of any such amendment and/or shall assist us in notifying you at our request.

Assignment and Delegation

Your obligations arising hereunder may not be assigned, delegated or otherwise transferred by you without our written consent. We may assign our coverage and/or benefit obligations to our successor in interest or an affiliated entity without the consent of the Small Employer at any time. **Any assignment, delegation, or transfer made in violation of this provision shall be void.**

Changes in Premium

We may modify the Rates at any time, without your consent, upon at least 45 days prior notice to the Small Employer. Payments submitted to us following receipt of any such written notice of modification constitutes acceptance by the Contractholder of any such modification.

Compliance with State and Federal Laws and Regulations

The terms of coverage and benefits to be provided by us under the Small Employer Master Policy shall be deemed to have been modified and shall be interpreted, so as to comply with applicable state or federal laws and regulations dealing with Rates, benefits, eligibility, enrollment, termination, conversion, or other rights and duties.

Confidentiality

Except as otherwise specifically provided herein, and except as may be required in order for us to administer coverage and benefits, specific medical information concerning you, received by Providers, shall be kept confidential by us in

conformity with applicable law. Such information may be disclosed to third parties for use in connection with bona fide medical research and education, or as reasonably necessary in connection with the administration of coverage and benefits, specifically including our quality assurance and Blueprint for Health Programs. Additionally, we may disclose such information to entities affiliated with us or other persons or entities we utilize to assist in providing coverage, benefits or services under this Booklet. Further, any documents or information, which are properly subpoenaed in a judicial proceeding, or by order of a regulatory agency, shall not be subject to this provision.

Our arrangements with a Provider may require that we release certain claims and medical information about persons covered under this Booklet to that Provider even if treatment has not been sought by or through that Provider. By accepting coverage, you hereby authorize us to release to Providers claims information, including related medical information, pertaining to you in order for any such Provider to evaluate your financial responsibility under this Booklet.

Cooperation Required of You and Your Covered Dependents

You must cooperate with us, and must execute and submit to us any consents, releases, assignments, and other documents we may request in order to administer, and exercise our rights hereunder. Failure to do so may result in the denial of claims and will constitute grounds for termination for cause by us (see the Termination of an Individual's Coverage for Cause subsection in the "Termination of Coverage" section).

Customer Rewards Programs

From time to time, we may offer programs to our customers that provide rewards for following the terms of the program. We will tell you about any

available rewards programs in general mailings, member newsletters and/or on our website. Your participation in these programs is completely voluntary and will in no way affect the coverage available to you under this Booklet. We reserve the right to offer rewards in excess of \$25 per year as well as the right to discontinue or modify any reward program features or promotional offers at any time without your consent.

The ID Cards issued to you in no way create, or serve to verify, eligibility to receive coverage and benefits under this Booklet. ID Cards are our property and must be destroyed or returned to us immediately following termination of your coverage.

Modification of Provider Networks and Participation Status

The Provider networks, and the participation status of individual Providers available under this Booklet, are subject to change at any time without prior notice to you or your approval or that of the Small Employer. Additionally, we may, at any time, terminate or modify the terms of any Provider contract and may enter into additional Provider contracts without prior notice to, or approval of, the Small Employer or you. It is your responsibility to determine whether a health care Provider is an In-Network Provider at the time the Health Care Service is rendered. Under this Booklet, your financial responsibility may vary depending upon a Provider's participation status.

Non-Waiver of Defaults

Any failure by us at any time, or from time to time, to enforce or to require the strict adherence to any of the terms or conditions described herein, will in no event constitute a waiver of any such terms or conditions. Whenever we have made payments in excess of the maximum provided for under this Booklet, we will have the right to recover any such payments, to the extent of such excess, from you or any person, plan, or other organization that received such payments.

Third Party Beneficiary

The Small Employer Master Policy under which this Benefit Booklet was issued was entered into solely and specifically for the benefit of BCBSF and the Small Employer. The terms and provisions of the Small Employer Master Policy shall be binding solely upon, and inure solely to the benefit of BCBSF and the Small Employer, and no other person shall have any rights, interest or claims hereunder or under this Benefit Booklet, or be entitled to sue for a breach thereof as a third-party beneficiary or otherwise. BCBSF and the Small Employer hereby specifically express their intent that health care Providers that have not entered into contracts with BCBSF to participate in BCBSF's Provider networks shall not be third-party beneficiaries under the Small Employer Master Policy or this Benefit Booklet.

Section 22: Definitions

The following definitions are used in this Benefit Booklet. Other definitions may be found in the particular section, subsection, or Endorsements where they are used.

Accident means an unintentional, unexpected event, other than the acute onset of a bodily infirmity or disease, which results in traumatic injury. This term does not include injuries caused by surgery or treatment for disease or illness.

Accidental Dental Injury means an injury to Sound Natural Teeth (not previously compromised by decay) caused by a sudden, unintentional, and unexpected event or force. This term does not include injuries to the mouth, structures within the oral cavity, or injuries to natural teeth caused by biting or chewing, surgery, or treatment for a disease or illness.

Adoption or Adopt(ed) means the process and act of creating a legal parent/child relationship declaring that the child is legally the child of the adoptive parents and their heir-at-law and entitled to all the rights and privileges and subject to all the obligations of a child born to such adoptive parents, or as otherwise defined by Florida law or similar applicable laws of another state.

Adverse Benefit Determination means any denial, reduction or termination of coverage, benefits, or payment (in whole or in part) under this Benefit Booklet with respect to a Pre-Service Claim or a Post-Service Claim. Any reduction or termination of coverage, benefits, or payment in connection with a Concurrent Care Decision, as described in the "Claims Processing" section, shall also constitute an Adverse Benefit Determination.

Allowed Amount means the maximum amount upon which payment will be based for Covered

Services. The Allowed Amount may be changed at any time without notice to you or your consent.

1. In the case of an In-Network Provider located in Florida, this amount will be established in accordance with the applicable agreement between that Provider and BCBSF.
2. In the case of an In-Network Provider located outside of Florida, this amount will generally be established in accordance with the negotiated price that the on-site Blue Cross and/or Blue Shield Plan ("Host Blue") passes on to us, except when the Host Blue is unable to pass on its negotiated price due to the terms of its Provider contracts. See the "BlueCard[®] (Out-of-State) Program" section for more details.
3. In the case of Out-of-Network Providers located in Florida who participate in the Traditional Program, this amount will be established in accordance with the applicable agreement between that Provider and BCBSF.
4. In the case of Out-of-Network Providers located outside of Florida who participate in the BlueCard[®] (Out-of-State) Traditional Program, this amount will generally be established in accordance with the negotiated price that the Host Blue passes on to us, except when the Host Blue is unable to pass on its negotiated price due to the terms of its Provider contracts. See the "BlueCard[®] (Out-of-State) Program" section for more details.
5. In the case of an Out-of-Network Provider that has not entered into an agreement with BCBSF to provide access to a discount from the billed amount of that Provider for the

specific Covered Services provided to you, the Allowed Amount will be the lesser of that Provider's actual billed amount for the specific Covered Services or an amount established by BCBSF that may be based on several factors including (but not necessarily limited to): (i) payment for such Services under the Medicare and/or Medicaid programs; (ii) payment often accepted for such Services by that Out-of-Network Provider and/or by other Providers, either in Florida or in other comparable market(s), that BCBSF determines are comparable to the Out-of-Network Provider that provided the specific Covered Services (which may include payment accepted by such Out-of-Network Provider and/or by other Providers as participating providers in other provider networks of third-party payers which may include, for example, other insurance companies and/or health maintenance organizations); (iii) payment amounts which are consistent, as determined by BCBSF, with BCBSF's provider network strategies (e.g., does not result in payment that encourages Providers participating in a BCBSF network to become non-participating); and/or, (iv) the cost of providing the specific Covered Services. In the case of an Out-of-Network Provider that has not entered into an agreement with another Blue Cross and/or Blue Shield organization to provide access to discounts from the billed amount for the specific Covered Services under the BlueCard (Out-of-State) Program, the Allowed Amount for the specific Covered Services provided to you may be based upon the amount provided to BCBSF by the other Blue Cross and/or Blue Shield organization where the Services were provided at the amount such organization would pay non-participating Providers in its geographic area for such Services.

If a particular Covered Service is not available from any Provider that is in NetworkBlue, as determined by us, the Allowed Amount, whenever Florida Statute §627.6471 applies, means the usual and customary charge(s) of similar Providers in a geographical area established by us.

You may obtain an estimate of the Allowed Amount for particular Services by calling the customer service phone number included in this Booklet or on your Identification Card. The fact that we may provide you with such information does not mean that the particular Service is a Covered Service. All terms and conditions included in this Booklet apply. You should refer to the "What Is Covered?" section of this Booklet and the Schedule of Benefits to determine what is covered and how much we will pay.

Please specifically note that, in the case of an Out-of-Network Provider that has not entered into an agreement with BCBSF to provide access to a discount from the billed amount of that Provider, the Allowed Amount for particular Services is often substantially below the amount billed by such Out-of-Network Provider for such Services. You will be responsible for any difference between such Allowed Amount and the amount billed for such Services by any such Out-of-Network Provider.

Payment Rules

Under this Endorsement, the amount you must pay for Covered Prescription Drugs and Supplies or a Covered OTC Drug may vary depending on:

1. the participation status of the Pharmacy where purchased (e.g., Participating Pharmacy versus Non-Participating Pharmacy);
2. the terms of our agreement with the Pharmacy selected;
3. whether you have satisfied the Pharmacy Deductible, if any, and the amount of Copayment or percentage of the Participating Pharmacy Allowance set forth in the BlueScript Pharmacy Program Schedule of Benefits;
4. whether the Prescription Drug is a Generic Prescription Drug, a Brand Name Prescription Drug or a Covered OTC Drug;
5. whether the Brand Name Prescription Drug is on the Formulary List;
6. whether the Prescription Drug is purchased from the Mail Order Pharmacy;
7. whether the OTC Drug is designated in the Medication Guide as a Covered OTC Drug.

We reserve the right to add, remove or reclassify any Prescription Drug or OTC Drug in the Medication Guide at any time.

Pharmacy Alternatives

For purposes of this Endorsement, there are two types of Pharmacies: Participating Pharmacies and Non-Participating Pharmacies.

Participating Pharmacies

Participating Pharmacies are Pharmacies participating in our BlueScript Pharmacy Program, or the National Network Pharmacy belonging to our Pharmacy Benefit Manager, at the time you purchase Covered Prescription Drugs and Supplies and/or Covered OTC Drugs.

Participating Pharmacies have agreed not to charge, or collect from you, for each Covered Prescription Drug, Covered Prescription Supply or Covered OTC, more than the amount set forth in the BlueScript Pharmacy Program Schedule of Benefits.

With BlueScript, there are four types of Participating Pharmacies:

1. Pharmacies in Florida that have signed a BlueScript Participating Pharmacy Provider Agreement with us;
2. National Network Pharmacies;
3. Specialty Pharmacies; and
4. the Mail Order Pharmacy.

To verify if a Pharmacy is a Participating Pharmacy, you may access the Pharmacy Program Provider Directory on our website at www.bcbsfl.com or call the customer service number included in your Benefit Booklet or on your Identification Card.

Prior to purchase, you must present your BCBSF Identification Card to the Participating Pharmacy. The Participating Pharmacy must be able to verify that we, in fact, cover you.

When charges for Covered Prescription Drugs and Supplies or Covered OTC Drugs by a Participating Pharmacy are less than the required Copayment, if applicable, the amount you will pay depends on the agreement then in effect between the Pharmacy and us and will be one of the following:

1. The usual and customary charge of such Pharmacy as if it were not a Participating Pharmacy;
2. The charge under the Pharmacy's agreement with us; or
3. The Copayment if less than the usual and customary charge of such Pharmacy.

Specialty Pharmacy

Certain medications, such as injectable, oral, inhaled and infused therapies used to treat complex medical Conditions are typically more difficult to maintain, administer and monitor when compared to traditional Drugs. Specialty Drugs may require frequent dosage adjustments, special storage and handling and may not be readily available at local pharmacies or routinely stocked by physicians' offices, mostly due to the high cost and complex handling they require.

Using a Specialty Pharmacy to provide these Specialty Drugs should lower the amount you have to pay for these medications.

The Specialty Pharmacies designated, solely by us, are the only Participating suppliers for Specialty Drugs. Any Pharmacy not designated by us as a Specialty Pharmacy is considered Non-Participating for payment purposes, even if such Pharmacy is a Participating Pharmacy for other Covered Prescription Drugs under this BlueScript Pharmacy Program.

For additional details on how to obtain Covered Prescription Specialty Drugs from a Specialty Pharmacy, refer to the Medication Guide.

Mail Order Pharmacy

For additional details on how to obtain Covered Prescription Drugs and Supplies and OTC Drugs from the Mail Order Pharmacy, refer to the Medication Guide or the Mail Order Pharmacy Brochure.

Note: Specialty Drugs are not available through the Mail Order Pharmacy.

Non-Participating Pharmacies

A Non-Participating Pharmacy is a Pharmacy that has not agreed to participate in our BlueScript Participating Pharmacy Program and is not a National Network Pharmacy, Specialty Pharmacy or the Mail Order Pharmacy.

Our reimbursement to you for Covered Prescription Drugs and Supplies is based upon the Non-Participating Pharmacy Allowance. Non-Participating Pharmacies have **not** agreed to accept our Participating Pharmacy Allowance or our Pharmacy Benefit Manager's Participating Pharmacy Allowance as payment in full less any applicable cost-sharing amounts (e.g., Deductible, Copayment, percentage of the Participating Pharmacy Allowance) due from you.

You may be responsible for paying the full cost of the Covered Prescription Drugs and Supplies at the time of purchase and must submit a claim to us for reimbursement. Our reimbursement for Covered Prescription Drugs and Supplies will be based on the Non-Participating Pharmacy Allowance less the Pharmacy Deductible, if any, and the Copayment or percentage of the Out-of-Network member cost-share set forth in the BlueScript Pharmacy Program Schedule of Benefits.

In order to obtain reimbursement for Covered Prescription Drugs and Supplies purchased at a Non-Participating Pharmacy, you must obtain an itemized paid receipt and submit it with a properly completed claim form (with any required documentation) to:

Pharmacy Utilization Review Programs

Our pharmacy utilization review programs are intended to encourage the responsible use of Prescription Drugs and Supplies and Covered OTC Drugs.

We may, at our sole discretion, require that Prescriptions for select Prescription Drugs and Supplies or OTC Drugs be reviewed under our pharmacy utilization review programs, then in effect, in order for there to be coverage for them.

Under these programs there may be limitations or conditions on coverage for select Prescription Drugs and Supplies and OTC Drugs, depending on the quantity, frequency or type of Prescription Drug or OTC Drug Prescribed.

Note: If coverage is not available, or is limited, this does not mean that you cannot obtain the Prescription Drug, Supply or OTC Drug from the Pharmacy. It only means that we will not cover or pay for the Prescription Drug, Supply or OTC Drug. You are always free to purchase the Prescription Drug, Supply or OTC Drug at your sole expense.

Our pharmacy utilization review programs include the following:

Responsible Steps

Under this program, we may exclude from coverage certain Prescription Drugs and OTC Drugs unless you have first tried designated Drug(s) identified in the Medication Guide in the order indicated. In order for there to be coverage for such Prescription Drugs and OTC Drugs prescribed by your Physician, we must receive written documentation from you and your Physician that the designated Drugs in the Medication Guide are not appropriate for you because of a documented allergy, ineffectiveness or side effects.

Prior to filling your Prescription, your Physician may, but is not required to, contact us to request coverage for a Prescription Drug or OTC Drug subject to the Responsible Steps program by following the procedures for prior coverage authorization outlined in the Medication Guide.

Dose Optimization Program

Under this program, we may exclude from coverage any Prescription Drug or OTC Drug prescribed in excess of the Maximum specified in the Medication Guide.

Prior Coverage Authorization Program

You are required to obtain prior coverage authorization from us in order for certain

Prescription Drugs and Supplies and OTC Drugs to be covered. **Failure to obtain authorization will result in denial of coverage.** Prescription Drugs and Supplies and OTC Drugs requiring prior coverage authorization are designated in the Medication Guide.

For additional details on how to obtain prior coverage authorization refer to the Medication Guide.

Information on our pharmacy utilization review programs is published in the Medication Guide at www.bcbsfl.com, or you may call the customer service number on your Identification Card. Your Pharmacist may also advise you if a Prescription Drug requires prior coverage authorization.

Ultimate Responsibility for Medical Decisions

The pharmacy utilization review programs have been established solely to determine whether coverage or benefits for Prescription Drugs, Supplies and OTC Drugs will be provided under the applicable terms of the Benefit Booklet. Ultimately, the final decision concerning whether a Prescription Drug, Supply or OTC Drug should be prescribed must be made by you and the prescribing Physician. Decisions made by us in authorizing coverage are made only to determine whether coverage or benefits are available under the Benefit Booklet and not for the purpose of providing or recommending care or treatment. We reserve the right to modify or terminate these programs at any time.

Any and all decisions that require or pertain to independent professional medical judgment or training, or the need for a Prescription Drug, Supply, or OTC Drug must be made solely by you and your treating Physician in accordance with the patient/Physician relationship. It is possible that you or your treating Physician may conclude that a particular Prescription Drug, Supply or OTC Drug is needed, appropriate, or desirable, even though such Prescription Drug, Supply or OTC Drug may not be authorized for

coverage by us. In such cases, it is your right and responsibility to decide whether the Prescription Drug, Supply or OTC Drug should be purchased even if we have indicated that coverage and payment will not be made for such Prescription Drug, Supply or OTC Drug.

GENERAL PROVISIONS

The following **subsection** is added:

Care Profile Program – A Payer-Based Health Record Program

A care profile is available to treating Physicians for each person covered under this Booklet. This care profile allows a secure, electronic view of specific claims information for Services rendered by Physicians, Hospitals, labs, pharmacies, and other health care Providers. Unless you have chosen to opt out, here are a few of the benefits of participation in the Care Profile Program:

1. All authorized treating Physicians will have a consolidated view – or history – of your Health Care Services, assisting them in improved decision-making in the delivery of health care.
2. In times of catastrophic events or Emergency Services, the care profile will be accessible from any location by authorized Physicians so that appropriate treatment and Service can still be delivered.
3. Safe and secure transmission of claim information. Only authorized health care Providers or authorized members of the Provider's staff will have access to your information.
4. Coordination of care among your authorized treating health care Providers.
5. More efficient health care delivery for you.

Keeping your health information private is extremely important, so your care profile will not include certain health information that pertains to "sensitive" medical conditions, for which the law provides special protection. Health care Providers access the care profile using the same secure, electronic channel they use to file claims. In addition, only authorized members of the Provider's staff will have access to the information. Remember, this will help your Physician in obtaining important information concerning your health history.

However, if for some reason you, or any of your Covered Dependents, choose not to provide your treating Physician access to your claim history, the use of this information may be restricted. Should you choose not to participate call the customer service phone number on your ID Card and inform a service associate of your decision.

BLUECARD[®] PROGRAM

The Benefit Booklet is hereby amended by deleting the BlueCard (Out-of-State) Program section in its entirety and replacing it with the following:

Out-of-Area Services

Overview

We have a variety of relationships with other Blue Cross and/or Blue Shield Licensees. Generally, these relationships are called "Inter-Plan Arrangements." These Inter-Plan Arrangements work based on rules and procedures issued by the Blue Cross Blue Shield Association ("Association"). Whenever you access Health Care Services outside Florida, the claim for those Services may be processed through one of these Inter-Plan Arrangements. The Inter-Plan Arrangements are described below.

When you receive care outside of Florida, you will receive it from one of two kinds of Providers. Most Providers ("Participating Providers") contract with the local Blue Cross and/or Blue Shield Licensee in that geographic area ("Host Blue"). Some Providers ("Nonparticipating Providers") don't contract with the Host Blue. We explain below how we pay both kinds of Providers.

Inter-Plan Arrangements Eligibility – Claim Types

All claim types are eligible to be processed through Inter-Plan Arrangements, as described above, except for all dental care benefits except when paid as medical claims/benefits, and those prescription drug benefits or vision care benefits that may be administered by a third party contracted by us to provide the specific Service or Services.

BlueCard Program

Under the BlueCard Program, when you receive Covered Services within the geographic area served by a Host Blue, we will remain responsible for fulfilling our contractual obligations to you. However, the Host Blue is responsible for contracting with and generally handling all interactions with its Participating Providers.

When you receive Covered Services outside of Florida and the claim is processed through the BlueCard Program, the amount you pay for Covered Services is calculated based on the lower of:

- The billed charges for Covered Services; or
- The negotiated price that the Host Blue makes available to us.

Often, this “negotiated price” will be a simple discount that reflects an actual price that the Host Blue pays to your Provider. Sometimes, it is an estimated price that takes into account special arrangements with your Provider or Provider group that may include types of settlements, incentive payments and/or other credits or charges. Occasionally, it may be an average price, based on a discount that results in expected average savings for similar types of Providers after taking into account the same types of transactions as with an estimated price.

Estimated pricing and average pricing also take into account adjustments to correct for over- or underestimation of past pricing of claims, as noted above. However, such adjustments will not affect the price we have used for your claim because they will not be applied after a claim has already been paid.

Special Cases: Value-Based Programs

If you receive Covered Services under a Value-Based Program inside a Host Blue’s service area, you will not be responsible for paying any of the Provider Incentives, risk-sharing, and/or Care Coordinator Fees that are a part of such an arrangement, except when a Host Blue passes these fees to us through average pricing or fee schedule adjustments. Additional information is available upon request.

Inter-Plan Programs: Federal/State Taxes/Surcharges/Fees

Federal or state laws or regulations may require a surcharge, tax or other fee that applies to insured accounts. If applicable, we will include any such surcharge, tax or other fee as part of the claim charge passed on to you.

Nonparticipating Providers Outside Florida

When Covered Services are provided outside of Florida by Nonparticipating Providers, our payment will be based on the Allowed Amount, as defined in the DEFINITIONS section of the Benefit Booklet.

BlueCard Worldwide® Program

If you are outside the United States, the Commonwealth of Puerto Rico, and the U.S. Virgin Islands (hereinafter “BlueCard Service Area”), you may be able to take advantage of the BlueCard Worldwide Program when accessing Covered Services. The BlueCard Worldwide Program is unlike the BlueCard Program available in the BlueCard Service Area in certain ways. For instance, although the BlueCard Worldwide Program assists you with accessing a network of inpatient, outpatient and professional Providers, the network is not served by a Host Blue. As such, when you receive care from Providers outside the BlueCard Service Area, you will typically have to pay the Providers and submit the claims yourself to obtain reimbursement for these Services.

If you need medical assistance services (including locating a doctor or hospital) outside the BlueCard Service Area, you should call the BlueCard Worldwide Service Center at 1.800.810.BLUE (2583) or call collect at 804-673-1177, 24 hours a day, seven days a week. An assistance coordinator, working with a medical professional, can arrange a physician appointment or hospitalization, if necessary.

Inpatient Services

In most cases, if you contact the BlueCard Worldwide Service Center for assistance, hospitals will not require you to pay for inpatient Covered Services, except for your Cost Share amounts. In such cases, the hospital will submit your claims to the BlueCard Worldwide Service Center to begin claims processing. However, if you paid in full at the time of Service, you must submit a claim to receive reimbursement for Covered Services. **You must notify us of any non-emergency inpatient Services.**

Outpatient Services

Physicians, Urgent Care Centers and other outpatient Providers located outside the BlueCard Service Area will typically require you to pay in full at the time of Service. You must submit a claim to obtain reimbursement for Covered Services.

Submitting a BlueCard Worldwide Claim

When you pay for Covered Services outside the BlueCard Service Area, you must submit a claim to obtain reimbursement. For institutional and professional claims, you should complete a BlueCard Worldwide International claim form and send the claim form with the Provider's itemized bill(s) to the BlueCard Worldwide Service Center (the address is on the form) to initiate claims processing. Following the instructions on the claim form will help ensure timely processing of your claim. The claim form is available from the BlueCard Worldwide Service Center or online at www.bluecardworldwide.com. If you need assistance with your claim submission, you should call the BlueCard Worldwide Service Center at 800-810-BLUE (2583) or call collect at 804-673-1177, 24 hours a day, seven days a week.

Provider Incentive means an additional amount of compensation paid to a health care Provider by a Blue Cross and/or Blue Shield Plan, based on the Provider's compliance with agreed-upon procedural and/or outcome measures for a particular population of covered persons.

Value-Based Program means an outcomes-based payment arrangement and/or a coordinated care model facilitated with one or more local Providers that is evaluated against cost and quality metrics/factors and is reflected in Provider payment.

3. When we cover you as a dependent child and your parents are married (not separated or divorced):
 - a. the plan of the parent whose birthday, month and day, falls earlier in the year will be primary;
 - b. if both parents have the same birthday, month and day, and the other plan has covered one of the parents longer than us, we will be secondary.
4. When we cover you as a dependent child whose parents are not married, or are separated or divorced:
 - a. if the parent with custody is not remarried, the plan of the parent with custody is primary;
 - b. if the parent with custody has remarried, the plan of the parent with custody is primary; the step-parent's plan is secondary; and the plan of the parent without custody is last;
 - c. regardless of which parent has custody, when a court decree specifies the parent who is financially responsible for the child's health care expenses, the plan of that parent is always primary.
5. When we cover you as a dependent child and the other plan covers you as a dependent child:
 - a. the plan of the parent who is neither laid off nor retired will be primary;
 - b. if the other plan is not subject to this rule, and if, as a result, such plan does not agree on the order of benefits, this paragraph shall not apply.
6. If you have continuation of coverage under COBRA or Florida Health Insurance Coverage Continuation Act (FHICCA or mini-COBRA), COBRA or FHICCA as a result of the purchase of coverage as provided under the Consolidated Omnibus Budget Reconciliation Act of 1985, as amended, and also under another group plan, the following order of benefits applies:
 - a. first, the plan covering the person as an employee, or as the employee's Dependent; and
 - b. second, the coverage purchased under the plan covering the person as a former employee, or as the former employee's Dependent provided according to the provisions of COBRA.
7. When rules 1 through 6 above do not establish an order of benefits, the plan which has covered the individual the longest shall be primary, unless you are age 65 or older and covered under Medicare Parts A and B. In that case, this Booklet will be secondary to Medicare.

8. If the other plan does not have rules that establish the same order of benefits as under this Booklet, the benefits under the other plan will be determined primary to the benefits under this Booklet.

We will not coordinate benefits against an indemnity-type policy, an excess insurance policy, a policy with coverage limited to specified illnesses or accidents, or a Medicare Supplement policy.

SUBROGATION AND RIGHT OF REIMBURSEMENT

The **Subrogation and Right of Reimbursement** section is deleted in its entirety and is replaced with the following:

Subrogation and Right of Reimbursement

As used herein, the term "Third Party," means any party that is, or may be, or is claimed to be responsible for illness or injuries to you. Such illness or injuries are referred to as "Third Party Injuries." "Third Party" includes any party responsible for payment of expenses associated with the care or treatment of Third Party Injuries.

If benefits are paid under this Booklet for expenses incurred due to Third Party Injuries, then we retain the right to repayment of the full cost of all benefits provided under this Booklet on your behalf that are associated with the Third Party Injuries. Our subrogation and reimbursement rights of recovery apply to any claim or potential claim made by you or on your behalf from the following sources, including but not limited to:

- Payments made by a Third Party or any insurance company on behalf of the Third Party;
- Any payments or awards under an uninsured or underinsured motorist coverage policy;
- Any Workers' Compensation or disability award or settlement;
- Medical payments coverage under any automobile policy, premises or homeowners' medical payments coverage or premises or homeowners' insurance coverage; and
- Any other payments from a source intended to compensate you for injuries resulting from an accident or alleged negligence.

By accepting benefits under this Booklet, you specifically acknowledge our right of subrogation. In the event you suffer injuries for which a Third Party is responsible (such as someone injuring you in an accident), and we pay benefits under this Booklet as a result of those injuries, we will be subrogated and succeed to the right of recovery against such Third Party to the extent of the benefits we have paid. This means that we have the right, independently of you, to proceed against the Third Party responsible for your injuries to recover the benefits we have paid. In order to secure our recovery rights, you agree to assign to us any benefits or claims or rights of recovery you have under any automobile policy or other coverage, to the full extent of our subrogation and reimbursement claims. This assignment allows us to pursue any claim you may have, whether or not you choose to pursue the claim.

By accepting benefits under this Booklet, you also specifically acknowledge our right of reimbursement. This right of reimbursement attaches when we have paid health care benefits for expenses incurred due

to Third Party Injuries and you or your representative has recovered any amounts from a Third Party. By providing any benefit under this Booklet, we are granted an assignment of the proceeds of any settlement, judgment or other payment received by you to the extent of the full cost of all benefits provided under this Booklet. Our right of reimbursement is cumulative with and not exclusive of our subrogation right and we may choose to exercise either or both rights of recovery.

By accepting benefits under this Booklet, you or your representatives further agree to:

- Notify us promptly and in writing when notice is given to any party of the intention to investigate or pursue a claim to recover damages or obtain compensation due to Third Party Injuries sustained by you;
- Cooperate with us and do whatever is necessary to secure our right of subrogation and reimbursement under this Booklet;
- Give us a first-priority lien on any recovery, settlement, or judgment or other source of compensation which may be had from any party to the extent of the full cost of all benefits associated with Third Party Injuries provided under this Booklet (regardless of whether specifically set forth in the recovery, settlement, judgment, or compensation agreement);
- Pay, as the first priority, from any recovery, settlement, judgment, or other source of compensation, any and all amounts due to us as reimbursement for the full cost of all benefits associated with Third Party Injuries paid under this Booklet (regardless of whether specifically set forth in the recovery, settlement, judgment, or compensation agreement), unless otherwise agreed to by us in writing;
- Do nothing to prejudice our rights as set forth above. This includes, but is not limited to, refraining from making any settlement or recovery which specifically attempts to reduce or exclude the full cost of all benefits paid under this Booklet; and
- Serve as a constructive trustee for the benefits under this Booklet over any settlement.

We may recover the full cost of all benefits paid by us under this Booklet without regard to any claim of fault on your part, whether by comparative negligence or otherwise. In the event you or your representative fails to cooperate with us, you shall be responsible for all benefits provided by us under this Booklet in addition to costs and attorney's fees incurred by us in obtaining repayment.

This Endorsement is effective at your Group plan's first Anniversary Date occurring on or after **January 1, 2018**.

BLUECARD[®] PROGRAM

The Benefit Booklet is hereby amended by deleting the BlueCard (Out-of-State) Program section in its entirety and replacing it with the following:

Out-of-Area Services

Overview

We have a variety of relationships with other Blue Cross and/or Blue Shield Licensees. Generally, these relationships are called "Inter-Plan Arrangements." These Inter-Plan Arrangements work based on rules and procedures issued by the Blue Cross Blue Shield Association ("Association"). Whenever you access Health Care Services outside Florida, the claim for those Services may be processed through one of these Inter-Plan Arrangements. The Inter-Plan Arrangements are described below.

When you receive care outside of Florida, you will receive it from one of two kinds of Providers. Most Providers ("Participating Providers") contract with the local Blue Cross and/or Blue Shield Licensee in that geographic area ("Host Blue"). Some Providers ("Nonparticipating Providers") don't contract with the Host Blue. We explain below how we pay both kinds of Providers.

Inter-Plan Arrangements Eligibility – Claim Types

All claim types are eligible to be processed through Inter-Plan Arrangements, as described above, except for all dental care benefits except when paid as medical claims/benefits, and those prescription drug benefits or vision care benefits that may be administered by a third party contracted by us to provide the specific Service or Services.

BlueCard Program

Under the BlueCard Program, when you receive Covered Services within the geographic area served by a Host Blue, we will remain responsible for fulfilling our contractual obligations to you. However, the Host Blue is responsible for contracting with and generally handling all interactions with its Participating Providers.

When you receive Covered Services outside of Florida and the claim is processed through the BlueCard Program, the amount you pay for Covered Services is calculated based on the lower of:

- The billed charges for Covered Services; or
- The negotiated price that the Host Blue makes available to us.

Often, this “negotiated price” will be a simple discount that reflects an actual price that the Host Blue pays to your Provider. Sometimes, it is an estimated price that takes into account special arrangements with your Provider or Provider group that may include types of settlements, incentive payments and/or other credits or charges. Occasionally, it may be an average price, based on a discount that results in expected average savings for similar types of Providers after taking into account the same types of transactions as with an estimated price.

Estimated pricing and average pricing also take into account adjustments to correct for over- or underestimation of past pricing of claims, as noted above. However, such adjustments will not affect the price we have used for your claim because they will not be applied after a claim has already been paid.

Special Cases: Value-Based Programs

If you receive Covered Services under a Value-Based Program inside a Host Blue’s service area, you will not be responsible for paying any of the Provider Incentives, risk-sharing, and/or Care Coordinator Fees that are a part of such an arrangement, except when a Host Blue passes these fees to us through average pricing or fee schedule adjustments. Additional information is available upon request.

Inter-Plan Programs: Federal/State Taxes/Surcharges/Fees

Federal or state laws or regulations may require a surcharge, tax or other fee that applies to insured accounts. If applicable, we will include any such surcharge, tax or other fee as part of the claim charge passed on to you.

Nonparticipating Providers Outside Florida

When Covered Services are provided outside of Florida by Nonparticipating Providers, our payment will be based on the Allowed Amount, as defined in the DEFINITIONS section of the Benefit Booklet.

BCBS Global™ Core Program

If you are outside the United States, the Commonwealth of Puerto Rico, and the U.S. Virgin Islands (hereinafter “BlueCard Service Area”), you may be able to take advantage of the BCBS Global Core Program when accessing Covered Services. The BCBS Global Core Program is unlike the BlueCard Program available in the BlueCard Service Area in certain ways. For instance, although the BCBS Global Core Program assists you with accessing a network of inpatient, outpatient and professional Providers, the network is not served by a Host Blue. As such, when you receive care from Providers outside the BlueCard Service Area, you will typically have to pay the Providers and submit the claims yourself to obtain reimbursement for these Services.

If you need medical assistance services (including locating a doctor or hospital) outside the BlueCard Service Area, you should call the BCBS Global Core Service Center at 1-800-810-BLUE (2583) or call collect at 804-673-1177, 24 hours a day, seven days a week. An assistance coordinator, working with a medical professional, can arrange a physician appointment or hospitalization, if necessary.

Inpatient Services

In most cases, if you contact the BCBS Global Core Service Center for assistance, hospitals will not require you to pay for inpatient Covered Services, except for your Cost Share amounts. In such cases, the hospital will submit your claims to the BCBS Global Core Service Center to begin claims processing. However, if you paid in full at the time of Service, you must submit a claim to receive reimbursement for Covered Services. **You must notify us of any non-emergency inpatient Services.**

Outpatient Services

Physicians, Urgent Care Centers and other outpatient Providers located outside the BlueCard Service Area will typically require you to pay in full at the time of Service. You must submit a claim to obtain reimbursement for Covered Services.

Submitting a BCBS Global Core Claim

When you pay for Covered Services outside the BlueCard Service Area, you must submit a claim to obtain reimbursement. For institutional and professional claims, you should complete a BCBS Global Core International claim form and send the claim form with the Provider's itemized bill(s) to the BCBS Global Core Service Center (the address is on the form) to initiate claims processing. Following the instructions on the claim form will help ensure timely processing of your claim. The claim form is available from the BCBS Global Core Service Center or online at www.bcbsglobalcore.com. If you need assistance with your claim submission, you should call the BCBS Global Core Service Center at 800-810-BLUE (2583) or call collect at 804-673-1177, 24 hours a day, seven days a week.
