As we move forward during the COVID-19 pandemic, we support the work of providers, and the guidelines set forth by the Florida Department of Health and the Centers for Disease Control and Prevention (CDC). As information changes, we continue to make process updates for our Florida Blue Commercial, Affordable Care Act (ACA), Medicare Advantage, Federal Employee Program<sup>®</sup> (FEP) and Truli for Health lines of business.

During the COVID-19 pandemic, the processes noted below remain in effect until further notice. We will keep you informed as information changes. **For easy reference, new updates are noted in “red” throughout the communication.**

The State of Florida State of Emergency expired on June 26, 2021.

The Federal Public Health Emergency has been extended through Oct. 18, 2021.

**Effective Sept. 1, 2021, we will revert to the member’s contractual benefits for the treatment of COVID-19 for all commercial fully insured and Florida Blue Medicare business.** We continue to work with our self-funded groups to determine how they want us to administer their benefits.

### COVID-19 Provider Billing Guidelines
