For Truli for Health and Florida Blue Providers

BILLING AND CODING

Coding and Documentation Spotlight on Social Determinants of Health

To better track and address the social needs of our members, we recommend incorporating Social Determinants of Health (SDOH) ICD-10 Z codes on your claims. Review “The Social Determinants of Health (SDOH) Data Journey to Better Outcomes” infographic for additional information. [Learn more>>](#)

Coding Newsletter Focuses on Chronic Kidney Disease

The July issue of “Closing Gaps and Meeting Metrics” highlights coding tips for chronic kidney disease (CKD). It addresses how to explicitly state the stage of CKD to ensure accurate code assignment. [Learn more>>](#)

SELF-SERVICE TOOLS

Keep Your Profile Information Current to Stay Listed in Our Provider Directories

Federal legislation that became effective January 1, 2022, requires all providers, health care facilities and suppliers to verify and update their profile information each quarter to remain listed in online provider directories. [Learn more>>](#)

For Florida Blue Providers Only

ADMINISTRATIVE NEWS

Referral Length Increased for BlueMedicare HMO and myBlue HMO Plans

As a reminder, the length of a referral for BlueMedicare HMO Medicare Advantage and myBlue HMO commercial members is 180 days. There are some variances for Oncology and Hematology specialists. [Learn more>>](#)

FEDERAL EMPLOYEE PROGRAM

Encouraging Breast Cancer Screening

Your Florida Blue patients (women between the ages 50 to 74) insured under the Blue Cross and Blue Shield Federal Employee Program will receive a letter this month encouraging them to have a mammogram. Routine mammograms can find breast changes early, before symptoms even develop. [Learn more>>](#)

Use CPT II Codes to Complete Patient Care Gaps (CBP, HBD, and PPC)

Use these Current Procedural Terminology Category II (CPT II) codes to show diabetes care, blood pressure, medication reconciliation, functional assessment and pain assessment are evaluated for your Blue Cross and Blue Shield Federal Employee Program patients. The codes help identify opportunities for improvement and put in place timely interventions for better performance and health outcomes. [Learn more>>](#)

MEDICARE STARS
