## **Third Party Billing When a Member is Inpatient (Under Arrangement Services)**

**THIS PAYMENT POLICY IS NOT AN AUTHORIZATION, CERTIFICATION, EXPLANATION OF BENEFITS, OR A GUARANTEE OF PAYMENT, NOR DOES IT SUBSTITUTE FOR OR CONSTITUTE MEDICAL ADVICE. ALL MEDICAL DECISIONS ARE SOLELY THE RESPONSIBILITY OF THE PATIENT AND PHYSICIAN. BENEFITS ARE DETERMINED BY THE GROUP CONTRACT, MEMBER BENEFIT BOOKLET, AND/OR INDIVIDUAL SUBSCRIBER CERTIFICATE IN EFFECT AT THE TIME SERVICES WERE RENDERED. THIS PAYMENT POLICY APPLIES TO ALL LINES OF BUSINESS AND PROVIDERS OF SERVICE. IT DOES NOT ADDRESS ALL POTENTIAL ISSUES RELATED TO PAYMENT FOR SERVICES PROVIDED TO BCBSF MEMBERS AS LEGISLATIVE MANDATES, PROVIDER CONTRACT DOCUMENTS OR THE MEMBER'S BENEFIT COVERAGE MAY SUPERSEDE THIS POLICY. THE EFFECTIVE DATE OF THIS POLICY IS FOR THE PUBLICATION DATE OF THE POLICY ONLY AS HEALTHCARE PROVIDER AUDIT HAS HISTORICALLY BEEN ADDRESSING THIS BILLING PROCESS.**

### **DESCRIPTION:**

Florida Blue's inpatient reimbursement methodology, regardless of participation status, is all-inclusive. Non-professional services provided to a Florida Blue member by an entity other than the admitting facility while the member is registered as an inpatient at an acute care hospital, long term acute care hospital, skilled nursing facility, psychiatric hospital/facility, substance abuse hospital/facility or a residential treatment center/facility are not separately billable to Florida Blue. These services may be performed by a third-party entity that is under arrangement with the facility because the facility is unable to perform the service, or the service is not available but is necessary to treat the member. The services identified for this policy are services that these provider types are licensed to perform, or they would not have received the provider type designation. There are specific services by hospital/facility type that this policy applies to refer to the table in the Reimbursement Information section for those specifics.

This policy applies to Florida Blue's commercial products and Medicare Advantage products. For Medicare Advantage, the ambulance portion of this policy will not be applied to Cancer Hospitals, Children's Hospitals, or Critical Access Hospitals per existing rules for original Medicare ("resident hospital excluded from PPS").

The charges for the services performed will be added to the member's inpatient hospital claim and submitted to Florida Blue subject to existing reimbursement methodology. The servicing hospital/facility is liable to the third-party provider for the service they performed on the hospital's behalf.

Exceptions to this policy would include Federal or State Law that indicates third party payors can be billed for the inpatient service and is also liable to make payment to the designated entity.
