

Addendum to the Medicare Basics Guide

Due to the recent change in legislation for the Inflation Reduction Act, the Medicare Part D coverage as described on page 8 has changed. Please see the updated information for plan year 2024 below.

During the Catastrophic Coverage Stage, the plan pays the full cost for your covered Part D drugs

You enter the Catastrophic Coverage Stage when your out-of-pocket costs have reached the \$8,000 limit for the calendar year. Once you are in the Catastrophic Coverage Stage, you will stay in this payment stage until the end of the calendar year.

During this payment stage, the plan pays the full cost for your covered Part D drugs. You pay nothing. For specific brand name drugs in Tier 1 (Preferred Generic), our plan pays the full cost of the drug.
