

Introducing Salus Clinic Available to Florida Blue and Truli Members Traveling to Puerto Rico

Salus Clinic, a primary care and multi-disciplinary clinic offering many specialty services, including OB/GYN, cardiology, pediatric, and behavioral health, is now part of the Florida Blue and Truli for Health (Truli) networks. Starting **January 1, 2023**, Florida Blue and Truli members will have in-network access to Salus Clinic's four locations while traveling to Puerto Rico.

In addition to primary care, including sick visits and treatment for chronic conditions, Salus Clinic offers a wide range of comprehensive, preventive care programs along with diagnostic tests and imaging services. Members can access any of the four Salus Clinic locations in the following Puerto Rico cities:

- Carolina
- Guaynabo
- Hato Rey (Las Americas)
- Ponce

Helping patients find care while traveling to Puerto Rico

Puerto Rico is a popular vacation destination for many Floridians. If there is a need for a doctor visit while traveling to the island, you can help your patients find care by directing them to [Salus Clinic](https://saluspr.com) at saluspr.com or they may call 1-787-789-1996. You can find a full list of specialties and services on their website. Salus Clinic will also be included in our [Online Provider Directory](#) in January.

Important to know

- Please be sure to manage and submit referrals timely using Availity at availity.com and coordinate care or treatment with Salus Clinic physicians.
 - For tightly managed and referral-based products like myBlue and Truli, referrals are required for a member to have services rendered by any Salus Clinic physician
- **Services rendered by non-Salus providers in Puerto Rico will process per the member's benefits.**

HMO coverage is offered by Truli for Health and Florida Blue HMO, affiliates of Florida Blue. Florida Blue offers health insurance. These companies are independent licensees of the Blue Cross and Blue Shield Association.
